

# 2018 Village of Suamico

**American Red Cross**

## Red Cross Babysitter's Training

This course is a hands-on course that covers many topics that will arise while babysitting. In the course we will cover the topics of responding to emergencies with first aid, rescue breathing and more. We will discuss how to make good decisions under pressure, communicate effectively with parents, recognize safety and hygiene issues and manage young children. We will also have hands on practice with feeding, diapering and caring for infants. We will also plan how to safely start your own babysitting business.

Students must be 11 years old by the last day of the course. You must attend the full class period and pass assessments of the course to obtain a digital certificate for Babysitters Training and a digital certificate valid for 2 years in Pediatric First Aid/CPR.
