Applicant / Owner Acknowledgement:

FAILURE TO PROVIDE ALL REQUIRED MATERIALS AND INFORMATION COULD RESULT IN THE REVIEW OF THIS APPLICATION BEING DELAYED FOR CONSIDERATION.

I have reviewed the legal description, erosion control plan, drainage plan, and storm water management plan for this site. I have reviewed the publication titled "Erosion Control for Home Builders" and supplemental documents prepared by NEWSC. I understand that I am responsible for proper implementation of these plans / documents and complying with local ordinances. I understand that I must contact the Department of Public Works/Engineering at 920-434-8410 for inspection one business day after the land disturbance actually begins.

I further grant the right-of-entry onto this site, as described above, to the designated personnel of the Department of Public Works/Engineering for the purpose of inspecting and monitoring for compliance with the erosion control plan, drainage plan, storm water management plan, and local ordinances.
