4. If mailing or shipping is necessary, the actual cost thereof shall also be charged.

A request may be made orally, but a request must be in writing before an action to enforce the request is commenced under Wis. Stats. §19.37. Except as provided below, no request may be refused because the person making the request is unwilling to be identified or to state the purpose of the request. No request may be refused because the request is received by mail, unless prepayment of a fee is required under Section 2.08 (5) (f) 5. A requester may be required to show acceptable identification whenever the requested record is kept at a private residence or whenever security reasons or federal law or regulations so require.

(b) Each custodian, upon request for any record, shall, as soon as practicable and without delay, either fill the request or notify the requester of the authority's determination to deny the request in whole or in part and the reasons therefore. If the legal custodian, after conferring with the Village Attorney, determines that a written request is so general as to be unduly time consuming, the party making the request may first be required to itemize his or her request in a manner which would permit reasonable compliance.

(c) A request for a record may be denied as provided in Section 2.08 (7). If a request is made orally, the request may be denied orally unless a demand for a written statement of the reasons denying the request is made by the requester within five (5) business days of the oral denial. If a written request is denied in whole or in part, the requester shall receive a written statement of the reasons for denying the request. Every written denial of a request shall inform the requester that if the request for the record was made in writing, then the determination is subject to review upon petition for a writ of mandamus under Wis. Stats. §19.37(1), or upon application to the Attorney General or a district attorney.

4. A record or any portion of a record containing information qualifying as a common law trade secret.

(c) In responding to a request for inspection or copying of a record which is not specifically exempt from disclosure, the legal custodian, after conferring with the Village Attorney, may deny the request, in whole or in part, only if he or she determines that the harm to the public interest resulting from disclosure would outweigh the public interest in full access to the requested record. Examples of matters for which disclosure may be refused include, but are not limited to, the following:

1. Records obtained under official pledges of confidentiality which were necessary and given in order to obtain the information contained in them.
2. Records of current deliberations after a quasi-judicial hearing.

2.09 CODE OF ETHICS. The Village adopts and incorporates Wis. Stats. §19.59. The Village reserves its right to adopt further ordinances including the following policies in accordance with Wis. Stats. §19.59 and, further, amends the prior Village ethic ordinance as follows:

(1) Declaration of Policy.

(a) *High moral and ethical standards are essential to the operation of free government.* A code of ethics is established for all Village officials, whether elected or appointed, paid or unpaid, all Village employees and agents of the Village, all

members of Village boards and committees and persons furnishing contracted services to the Village and its boards and committees. This code establishes guidelines for ethical standards of conduct for all such officials, employees, agents, committee and board members and persons furnishing contracted services. It directs disclosure by officials, board and committee members, employees, agents and candidates for Village office of private financial or other interests in matters affecting the Village.

(b) This code of ethics does not prohibit Village officials from having other employment and financial interests. Village officials, however, need to distinguish between inconsequential conflicts which are unavoidable and those conflicts which are substantial. The purpose of this code is to help Village officials in avoiding serious conflicts of interest and promote confidence in our local government.

(2) Responsibility of Public Officials and Standards of Conduct.

(a) Elected and appointed officials, committee and board members and employees of the Village should work for the benefit of the public and are bound to uphold the Constitution of the United States and the Constitution of the State of Wisconsin and to carry out independently and impartially the laws of the Nation, State and Village; observe in their official acts the highest standards of morality; and to discharge faithfully the duties of their office/position regardless of personal consideration, recognizing that public interests must be their prime concern. The conduct of Village officials, board and committee members, employees, agents and those furnishing contracted services to the Village should foster respect for government.

(b) The provisions of the following sections of the Wisconsin Statutes are made

part of this section and shall apply to elected and appointed officials whenever applicable, namely: Wis. Stats. §19.81-§19.98 Open Meetings of Government Bodies; Wis. Stats. §946.10 Bribery of Public Officers and Employees; Wis. Stats. §946.11 Special Privileges from Public Utilities; Wis. Stats. §946.12 Misconduct in Public Office; Wis. Stats. §946.13 Private Interest in Public Contract Prohibited;

(3) Dedicated Service.

(a) A Village official, board or committee member or employee should not use his or her position or office to obtain financial gain or anything of substantial value for his or her own personal benefit other than salary and benefits which he or she is due. These individuals should avoid promoting the special interests of any persons or group other than the best interests of the Village.

(b) A Village official, board or committee member, employee, agent or person furnishing contracted services should not exceed his or her authority and should work in full cooperation with public officials, board and committee members and Village employees. Employees, agents and those furnishing contracted services should adhere to the rules of work and performance established as the standard for their positions by the appropriate authority.

(4) Definitions.

(a) *Agent.* Any representative, including only those Village employees specifically designated by the Board, whose function is to bring about, modify, affect, accept performance of or terminate contractual obligations between the Village and third persons. All other non-designated full or part-time Village employees are specifically excluded from this definition.

(b) Confidential Information:

Confidential information means written material or oral information related to city government, which is not otherwise subject to release under the public records law and which is expressly designated or marked as confidential.

Obligation to Citizens. No official, employee or agent shall grant any special consideration, treatment or advantage to any citizen beyond that which is available to every other citizen.

(6) Conflict Of Interest.

(a) Financial or Personal Interests Prohibited. No official, employee or agent, whether paid or unpaid, shall engage in any business or transaction or shall act in regard

to financial or other personal interest, direct or indirect, which is incompatible with the proper discharge of his or her official duties in the public interest contrary to the provisions of this section or would be reasonably expected to impair his independence of judgment or action in the performance of his official duties.

(b) Specific Conflicts Enumerated.

1. **Incompatible Employment.** No official, employee or agent shall engage in or accept private employment or render service for private interest when such employment or service is incompatible with the proper discharge of his or her official duties or would tend to impair such official's, employee's or agent's independence, judgment or action in the performance of his or her official duties, unless otherwise permitted by law and unless disclosure is made herein provided.

2. **Disclosure of Confidential Information.** No official, employee, board or committee member or agent shall, without proper legal authorization, disclose confidential information concerning the property, government or affairs of the Village, nor shall such official, employee or agent use such information to advance the financial or other private interest of their self or others.

A gift or favor made or granted to a member of any official's or agent's immediate family shall be deemed made or granted to the official.

b. No elected or appointed official, employee or agent of the Village may solicit or accept, either directly or indirectly, from any person or organization money or anything of value if it could reasonably be expected to influence the official's actions or judgments or be considered a reward for any action or inaction on the part of the official. Campaign contributions are an exception and should be carefully documented and handled in accordance with the provisions of the Wisconsin Statutes.

c. An elected or appointed official, employee or agent is not to accept hospitality if after consideration of the surrounding circumstances it could reasonably be concluded that such hospitality would not be extended were it not for the fact that the guest or a member of the guest's immediate family was a Village official. Participation in celebrations, grand openings, open houses, informational meetings and similar events are excluded from this prohibition. This paragraph further shall not be construed to prevent candidates for elective office from accepting hospitality from citizens for the purpose of supporting the candidate's campaign.

d. Gifts received by an elected or appointed official, employee or agent under

unusual circumstances may be referred to the Ethics Board within ten (10) days of receipt for recommended disposition.

4. Contracts with the Village. Except to the extent allowed by Wis. 5. Employment of Relatives. No official, employee or agent, except as designated by the Board, shall participate in a discussion or proceeding which is held for the purpose of interviewing and/or hiring a job applicant; setting the salary, duties and/or conditions of employment of a job applicant or any employee; or firing of an employee, who is a relative of such official. No official shall head a department which employs a relative. No employee shall work in a department which is headed by a relative.

(7) Disclosure of Interest in Matters before the Village Board. To the extent known, all persons furnishing contracted services to the Village, its boards or committees who have a financial interest in any proposed action shall, to the extent the proposed action relates to the contracted services provided or to be provided, disclose on the records of the Village promptly the nature and extent of such interest.

Any other official, employee or agent who has a financial interest in any proposed action and who participates in discussion with or gives an official opinion or recommendation to the Board or any board or committee shall disclose on the records of the Village promptly the nature and extent of such interest.

(a) Any person may initiate a review before the Ethics Board of the conduct of any Village officer or employee alleged to be in violation of the Village ethics code by filing a verified complaint, with the Village Clerk together with a processing fee in the amount of two hundred dollars (\$200). Such verified complaint shall specify the activities of such officer or employee which are alleged to be in violation of the code of ethics. The Clerk shall provide a form, created by the Ethics Board that may be used for such complaint.

(b) Determination of Probable Cause. The Village Attorney or in the event of conflict special counsel appointed by the Ethics Board, shall act as counsel to the Ethics Board. Upon receipt the Clerk shall forward such complaint to the Chair of the Ethics Board who will see to it that the officer or employee accused in the complaint is notified of fact that a complaint has been filed and served (in person or by certified mail) a copy of the complaint within ten (10) days of its filing. The Chair also shall convene the Ethics Board within thirty (30) days of the date of filing of the complaint with the clerk for the purposes of determining whether, when viewing the complaint in the light most favorable to the complaining party there is probable cause to believe the employee or officer has acted in violation of the Ethics Code. Such review shall be in closed session. The Ethics Board shall give the complaining party and the officer or employee named in the complaint notice of the meeting and may request clarification of the complaint from either party.

1. If the Ethics Board determines that no probable cause exists, it shall dismiss the complaint and notify the accused officer or employee, the complainant and such other persons as the board determines to have an interest.

2. If the Ethics Board finds probable cause to believe a violation exists, it shall then proceed to hold a hearing as provided by this code.

3. The Ethics Board may also, upon agreement of the complaining party and the officer or employee named in the complaint proceed to issue an advisory opinion on the facts alleged in the complaint in lieu of a hearing.

4. The Ethics Board may direct the Village Attorney or special counsel to further investigate the facts stated in the verified complaint and report back to the board.

5. The complaining party may withdraw the complaint prior to a finding of probable cause. If probable cause is found by the Ethics Board, the complaint may not be withdrawn without the consent of the Ethics Board which may, at its complete discretion, require the matter to continue to hearing with or without the complaining parties consent and voluntary participation.

(c) Hearing Process.

1. Notice of the finding of probable cause and notice of hearing and a copy of the complaint shall be sent to the accused officer or employee by certified mail at his last known post office address within 5 days of the determination of probable cause.

2. Such hearing shall be scheduled more than twenty (20) days but less than thirty (30) days from the postmarked date of the notice of hearing. The hearing may however be adjourned at the request of either party for good cause shown or the Ethics Board.

3. Prior to the hearing date, the Chair or the designated representative shall contact the parties for the purpose of a pre-hearing conference.
