## 2021 - 2023 VOS Resident Strategic Plan Survey

#	ADDITIONAL COMMENTS	DATE
1	Would really like narrow, two lane roads to have a center stripe so drivers stay in their lane! St. Pat's road could use markings. After snow removal, more salt/sand could be applied on roads in subdivisions because alot of people walk for exercise in winter.	5/3/2020 8:31 PM
2	Living in a condo feel garbage & Recycle cost for 1 person is pricey	5/3/2020 5:58 PM
3	We pay very similiar taxes to Howard and they seem to have so much more...better roads, brush removal, street sweeping, forward/growth visions	5/3/2020 4:17 PM
4	Add "Not Used" or "No Opinion"	5/2/2020 1:28 PM
5	We need to have a system to have are large items of trash picked up,this is a large concern of many residents,we lived in village of Howard for 40yrs,they have the system to call and they would pickup your trash next wk,why can't we get a system like that to have are old couches and chairs etc picked up?	5/2/2020 7:59 AM
6	Our sewer bill seems excessive.	4/28/2020 6:37 PM
7	FIX CTY J	4/28/2020 12:50 PM
8	Streets are in horrible condition.	4/28/2020 12:42 PM
9	Lakeview Rd is a disaster as are Longtail Beach and Sunset Beach in terms of water drainage, snow removal, and street quality; sewers in Hunter's Run consistently blocked and overflow leading to street flooding; culverts on Lakeview and Longtail Beach consistently overflow	4/28/2020 11:43 AM
10	Uncontrolled and unleashed dogs are a big problem and make walking unpleasant at times.	4/28/2020 10:43 AM
11	In general, I am satisfied with village services. I think that development in areas of Suamico with a very high water table should be better restricted and managed.	4/28/2020 9:28 AM
12	Floods on Sunset Beach Ln need to be controlled!	4/26/2020 11:21 AM
13	Fix the roads- I run and walk out street each day and trip over your shoddy repair work. The damage to our vehicles from our toad repair is disturbing. Between the marina and hoards if ice fishing vehicles the road gets used heavily. Thank you.	4/21/2020 8:09 PM
14	Suamico should provide high speed internet access to all residents. After obtaining a burning permit, allow renewal(s) over phone or internet.	4/16/2020 7:31 PM
15	Sewer rates too high!	4/12/2020 6:22 PM
16	in harbor lights neighborhood would like to see earlier snow removal, many of us on call at nite	4/10/2020 3:22 PM
17	Looking forward to Hidden Lake Lane street reconstruction this year!	4/7/2020 1:08 PM
18	I would like to see pickup of leaves and brush is spring and fall. I would also like a pick up of large items a few times a year.	4/4/2020 9:53 AM
19	Had a negative experience with the zoning officer SD - was not very helpful and came across as I was a bother to him.	4/4/2020 9:51 AM
20	Would appreciate seeing more communication from Village President etc.	4/3/2020 2:20 PM
21	I wish we had a drop off site to compost kitchen waste	4/1/2020 2:08 PM
22	Recycling could be changed to once a month. Save us money.	3/31/2020 2:02 PM
23	We would like to see speed limits enforced on residential side streets. Cars drive too fast past our house. Would also like to see more frequent pick-up of recycling items or a location to drop off recycling when it starts to accumulate too much (cardboard boxes especially).	3/29/2020 10:28 AM
24	Recycling pickup needs to be done every week or have a recycle bin at the village that people can drop off overflow or big boxes.	3/28/2020 3:39 PM
25	Snow removal has not been as good this year as years past	3/26/2020 4:28 PM
26	Snow removal hasnt been as good as in the past	3/26/2020 4:19 PM
27	Our snow plow drivers are awesome! Is it possible to enforce a "clean your own property" code/ "fence your yard" code for the following yards that are an eyesore/possible vandalism	3/26/2020 4:08 PM

	opportunities. Examples 2717 white pine 2242 & 2244 Cardinal Ln	
28	Storm water management doesn't make sense in our area.	3/26/2020 12:22 PM
29	Snow removal is slow even on main roads and it's as if they never heard of how well sand works after roads have been scraped to prevent them from being icy.	3/25/2020 10:51 AM
30	Yard waste site is terrible; why are we denied what Howard has?	3/21/2020 10:46 AM
31	More information on programs offered, would be nice.	3/20/2020 7:13 AM
32	We hate the water drainage problems especially in the spring	3/18/2020 8:58 PM
33	Recycle collection every week	3/14/2020 2:25 PM
34	Pine Forest Drive is in need of resurfacing	3/9/2020 11:06 AM
35	Snow removal on Lineville Rd. west of Northwood Rd. needs significant improvement.	3/8/2020 2:40 PM
36	would like to see more police on Brown road -- too much speeding. It's very unsafe.	3/5/2020 3:32 PM
37	our garbage and recycling collection is terrible!!	3/4/2020 8:35 AM
38	There is a serious need to control Village spending	3/3/2020 10:59 PM
39	Village streets: It took 20 years to resurface our road because of half of it being maintained by Pittsfield. Unexceptable when it becomes a safety hazard. Planning and zoning: Everyone moves to the area to be in the country. Why have lot sizes become smaller to put in huge subdivisions?	3/2/2020 10:10 AM
40	I didn't like it when the lots were made smaller, when I contacted Steve Andrews I was told the contractors would'nt make enough money because it would mean less houses, isn't that the idea? Another problem was Westline Rd. Pittsfield and Suamico argued about who was suppose to plow and who was to pay for the repair of the road, that took years to resolve. I	3/2/2020 10:05 AM
41	1. Bad well drinking water was known for some time late communication to the community 2. New town hall completely unnecessary additional tax burden for residence 3. Suamico police are very supportive of the neighborhood but would like to see more focus not on traffic violations instead sex trafficking and protection of our property from breaking of cars in garages	3/1/2020 12:48 PM
42	New residential developments must stay with minimum acreage.	3/1/2020 11:40 AM
43	I do not think it's fair the prices charged when we have our own well.	3/1/2020 11:07 AM
44	Price for water is outrageous	2/29/2020 7:59 PM
45	As the village grows, additional lighting could be added at more rural intersections	2/29/2020 5:46 PM
46	Would like to see large item pick up occasionally or a community dumpster day and a community recycling event for tvs/electronics	2/25/2020 3:11 PM
47		2/25/2020 1:42 PM
48	Garbage containers should be larger and Recycling should be EVERY week.	2/25/2020 12:44 PM
49	The rate I have to pay for sewer with a well is not reasonable	2/24/2020 8:37 PM
50	There are some roads that can take up to 12 hours to clear after a snow fall. Seems that the same streets are done first and the same road are always last. ????	2/24/2020 10:30 AM
51	We should be allowed to drive our UTV & ATV's on village roads. Oconto allows it.	2/23/2020 4:26 PM
52	Cost of Sewer Only for those of us with wells is excessive	2/23/2020 1:17 PM
53	I'm disappointed with the amount of things they are doing at the Reforestation Camp. Turning it into more of an amusement area than a nature preserve. I had to rate the fire protection low because our neighbor's house burned to the ground. I know we're all on wells but it seems like we need a fire hydrant closer by.	2/23/2020 12:34 PM
54	Snow Removal: Sometimes more salt than necessary. Not good for the environment.	2/22/2020 4:15 PM
55	Have complained about barking dogs and can't do anything except send a letter.	2/22/2020 3:48 PM

## 2021 - 2023 VOS Resident Strategic Plan Survey

56	Maintenance of common space and fences in my area is not good	2/22/2020 8:13 AM
57	Police Services rated low because not enough enforcement of speeds in neighborhoods. I am less concerned with someone speeding on Velp than I am with speeding on Elvira Way for example. Speeds in neighborhoods will eventually result in an injury to a pedestrian or children playing/riding bikes. I have at least 3 or 4 times over the past 5 years requested better enforcement of speeding on Elvira Way and it has only gotten worse.	2/21/2020 4:59 PM
58	Many of these don't apply as I live in Rural Suamico	2/21/2020 10:39 AM
59	Add more kid rec programs!	2/21/2020 10:27 AM
60	permits should be easier	2/21/2020 10:02 AM
61	streets need repairs badly, the water bill capital expense needs to go away water and sewer bill is too excessive	2/20/2020 8:44 PM
62	Street lights in Moose Creek Subdivision would be nice	2/20/2020 6:42 PM
63	Live on west side of Pine Lane on Rose Haven, east side subdivision always plowed first and we aren't plowed until hours later. Then because of tracks, the road is snowcovered and terrible all winter. Pine Lane is poorly maintained, snowcovered and icy all winter. The intersection at Pine and Highway B is dangerous because of this. The right turn onto Pine off of Highway B does NOT have enough room for the west heading traffic to get around. When that was updated years ago, it was done poorly.	2/20/2020 6:19 PM
64	Storm water...ditches need digging to promote proper drainage. Also, significant black material in fresh water system. It's plugging up fixtures in my home.	2/20/2020 4:28 PM
65	I answered a lot of NA simply because I have not used or do not know a lot about them.	2/20/2020 12:55 PM
66	I wish we had a drop off site to compost kitchen waste.	2/20/2020 12:50 PM
67	We are on well & septic. Our area is w/o street lighting. Snow removal is adequate. No curbs or gutters. Fire & EMS is paid on call.	2/19/2020 1:42 PM
68	Water utility is quite a bit higher than what I was used to paying when I lived in Green Bay. I understand why the additional cost, but it's almost twice as much as what I used to pay as a GB resident.	2/19/2020 9:54 AM
69	you change zoning and give variances. let people build 3 to 4 houses where there should have been one. they were going to be 1,400 sq ft homes. they are huge. they were going to leave as many trees as possible. Clear cut them on the property line. Now they run ATV down my lot line. Just enforce the zoning you have, no variances.	2/19/2020 9:13 AM
70	Snow removal each year gravel is pushed on grass raking is required each year. The entire neighborhood is not plowed. Summer months we need to call to have overgrown bushes and long grass cut down on intersections. Driving hazard	2/19/2020 3:00 AM
71	The trash and recycling pick up is marginal at best and they have gone out of their way to avoid work than to actually do work. Coming from a different community this was a shock and terribly disappointing.	2/18/2020 8:07 PM
72	WE could use street lights to provide and or sidewalks for a safer environment for kids and pedestrians.	2/18/2020 7:38 PM
73	Emergency services should be full time paid. Otherwise, they cannot respond to issues quickly enough to be genuinely effective.	2/18/2020 7:07 PM
74	Hate to complain but our road rarely gets plowed, at least not in the morning when my kids are trying to leave for school. Our frontage road is just as bad.	2/18/2020 5:34 PM
75	Didn't know there was a recycling program	2/18/2020 5:02 PM
76	Water and sewer rates way too high - we paid for lines already	2/18/2020 3:45 PM
77	need more social gatherings for seniors besides cards	2/18/2020 1:43 PM
78	Would like to see Suamico take a leadership role with curbside recycling of food waste. Also, I would appreciate a two-three times per year curb yard waste pick-up.	2/18/2020 1:34 PM
79	Lark St should be assessed for repaving.	2/18/2020 11:21 AM

## 2021 - 2023 VOS Resident Strategic Plan Survey

80	Our road is in horrible shape due to chip seal applied about 10 years ago and we are not on the 5 year list for replacement.	2/18/2020 11:17 AM
81	Should have a monthly pick up of large items like Howard does and yard waste.	2/18/2020 10:22 AM
82	The cemetery could be better taken care of. Hanging dead and low tree branches need to be removed. Rarely mowed or cleaned up.	2/18/2020 10:11 AM
83	The cemetery could be better taken care of. Hanging dead and low tree branches need to be removed. Rarely mowed or cleaned up.	2/18/2020 9:44 AM
84	Community Transportation and Bike/walk trails	2/17/2020 11:54 PM
85	The roads around my house always get cleared late or not at all	2/17/2020 7:54 PM
86	Need weekly recycling pickup	2/17/2020 5:44 PM
87	Old road surface was not removed, just ground up. Then 12 inches of gravel and blacktop added, causing water, ice, and snow to puddle in driveway and into culverts. Also inquired about lowering speed limit from 45 to 35 mph as road is now a speed zone. Road is approx. 1 mile long, dead ends on both ends. 4 bus stops and no edge to walk on. Accident and lawsuit waiting to happen.	2/17/2020 3:03 PM
88	do not like having on tax bill - well and septic charges when you live in the country	2/17/2020 2:01 PM
89	There's a Village Cemetery?	2/17/2020 10:41 AM
90	Need more communication on what is happening in Suamico and what is available to the community	2/17/2020 9:50 AM
91	Snow removal seems to be very slow on our street. We live on a short street and seems to be one of the very last ones. We are very close to a main road (Cty IR)	2/17/2020 9:27 AM
92	Siesta Ln, Overlook Ct and Roundabout Ct roads are in very poor condition. Also railroad tracks on Harbor Lights is unacceptable(the repair job with the blacktop created a speed bump that throws my vehicle all over the road even at very low speeds)	2/17/2020 9:22 AM
93	We dont need street lights in subdivisions unless a specific hazard exists	2/17/2020 8:52 AM
94	Yard debris pick up????????!!!!?????	2/16/2020 6:51 PM
95	The streets in my subdivision need to be replaced (parkland ave). Otherwise we are pleased with the village.	2/16/2020 2:48 PM
96	The cost of water in Suamico is much higher than other municipalities. NOT HAPPY!!!	2/16/2020 2:19 PM
97	Recycling should be weekly. Garbage shops be biweekly. Not the other way around.	2/16/2020 1:33 PM
98	ditches on longtail beach rd need clearing	2/16/2020 1:06 PM
99	Would like curb side cleanup of natural material such as leaves	2/16/2020 1:01 PM
100	Some roads like Parkland Way are in poor shape and something that should not get this bad in a nicer community like ours. Was told 2023 which is 5 years over due.	2/16/2020 12:47 PM
101	The water has too strong of a chlorine smell and i don't like having a capital debt charge on my bill.	2/16/2020 12:08 PM
102	Need to raise awareness	2/16/2020 11:57 AM
103	None.	2/16/2020 11:24 AM
104	Could use weekly recycle pickup. 2 weeks is too long.	2/16/2020 10:59 AM
105	to much conflict between our excellent volunteer fire fighters and village officials	2/16/2020 10:21 AM
106	Should have a special garbage pickup once a month like Howard. Water prices still too high.	2/16/2020 9:29 AM
107	Lake View road is deplorable and extremely unsafe!!! I have witnessed drivers hydroplane and end up in ditch. There isn't any shoulder and this road needs immediate attention!!! The countless shovels of cold patch blacktop is ridiculous!	2/16/2020 8:43 AM

## 2021 - 2023 VOS Resident Strategic Plan Survey

108	I would like recycling to be increased in our area, we create more recycle than garbage	2/16/2020 8:36 AM
109	Garbage collection seems limited. We are permitted to fill the containers we have, which is acceptable. however, arranging for pickup of larger items, mattresses and box springs for example, is cumbersome if not forbidden. Disposal of larger items may be easier in other Brown County communities.	2/16/2020 4:26 AM
110	Harbor Lights Lake development is still paying for our own street lights. When will the Village take responsibility for this? The 130+ members pay enough taxes that we shouldn't have to continue paying for street lights!	2/16/2020 12:25 AM
111	Our street does not get plowed or salted very well. When streets around us are clear, ours is still ice-covered. Being someone who likes to go for walks, I do not feel safe walking on our street (River Meadow Drive) in the winter.	2/15/2020 10:17 PM
112	Do you offer extra garbage pick up	2/15/2020 9:37 PM
113	Snow is removed in a timely manner, however, a few times our yard has been damaged.	2/15/2020 8:35 PM
114	explaining my "2" rating of snow removal: the timing of removal is great. However, the condition of the street immediately after the plows have gone through is awful, especially when compared to Howard. There is a distinct difference on Cardinal Lane north of Liveville vs. south of Lineville. Instant difference when you cross Lineville.	2/15/2020 3:29 PM
115	We have asked for extra recycling containers, which in our previous city residence was encourage because it helped maintain a good ratio of garbage to recycling. In Suamico, we were told it's not possible to have additional recycling.	2/15/2020 3:16 PM
116	Need new culvert pipe at 2431 Lakeview Drive for proper water flow.	2/15/2020 2:45 PM
117	Would appreciate more police patrolling in my neighborhood. Lots of speeders.	2/15/2020 12:20 PM
118	Ditches need to be cleaned out and pitched correctly on lakeview drive north of sunset beach road	2/14/2020 11:34 AM
119	For garbage - the pick up service is reliable and timely. However, special pick up or leaf collection would be appreciated.	2/13/2020 10:29 PM
120	I would like to have the ability to put large garbage (that doesn't fit in our garbage bin) on the curb without having to schedule pick up - possibly once a month or every other month.	2/13/2020 7:44 PM
121	Enforce PARKING in residential areas!!!!!!!!!!!!	2/13/2020 6:03 PM
122	Would like to see there be a Suamico fire department ambulance service.	2/12/2020 10:25 AM
123	Is there a way to get UTV's/ATV's approved to drive on roads within the village?	2/11/2020 2:39 PM
124	Snow removal has recently gotten better, from a 1 to a 3.	2/11/2020 8:17 AM
125	Cost of water utility is too high. I'd rather have well water because it tastes better. It would be nice to have recycles picked up weekly.	2/11/2020 7:46 AM
126	Would love to see yard waste pick up and recycling picked up weekly(vs biweekly)	2/11/2020 4:57 AM
127	Last road to get plowed. Last night when coming home a plow went down our road a few feet and left a huge snow bank in the middle of the road then backed up to plow elsewhere	2/10/2020 9:53 PM
128	Village water and waste had gotten costly	2/10/2020 8:45 PM
129	No bike or pedestrian areas on just about the entire village is a massive failure	2/10/2020 6:41 PM
130	Would like to see UTV's allowed on Village Roads	2/10/2020 2:58 PM
131	This year in a row our mailbox has been destroyed by the snow plow, my neighbor and I both had then destroyed again last night. Frustrating. Also urgent need to address water runoff and culverts, the harbor lights lake area will be under water in a couple years. Lots of tax Potential tax revenue losses.	2/10/2020 1:31 PM
132	Water is pricey. Storm water runoff is poor. We have a lot of water behind the house that doesn't drain well.	2/10/2020 12:44 PM
133	The ability to monitor our rural roads where speeders are prevalent is an issue, though	2/10/2020 11:21 AM

7	Because of the recent development, there are more nuisance offenses in the village. For example, use of illegal fireworks and failure to follow village ordinances regarding dog waste and dog walking.	4/28/2020 9:28 AM
8	Snow plowing is much to be desired. I live on a court and it depends on who is plowing -- sometimes it is cleared other times a path is done and snow is left all over the court. Also this year it appears the snow plowing came out anywhere from 2-3 feet from the edge of the road which caused the driving lanes to be smaller than normal. Not sure why the plowing was done so far away from the edge of the street.	4/23/2020 11:56 AM

45	Taxes are quite high.	2/20/2020 4:52 PM
46	We moved to Suamico from the City of GB, and although taxes were slightly higher in GB, the additional services - especially yard waste removal and large item pickups - were worth it. Also, our water bill was about half of what it is now when we lived in GB.	2/20/2020 3:18 PM
47	We do not have children but feel a lot of money goes to the school that could be better spent.	2/20/2020 12:55 PM
48	Water and sewer charges are way to high. I have a lot of experience in this area and low strength waste does not cost this much to process so it it marked improvements or some other investment needed for Suamico. It is my belief that the testing protocol for industrial companies is not done properly and they are not properly pretreating or paying what they should for waste that has much higher levels of TSS, BOD, FOG, as well as some other constituents .	2/20/2020 11:56 AM
49	Police, garbage & snow removal are our only services.	2/19/2020 1:42 PM

	well taken care of year round!	
59	Our property taxes are WAY too high. When you had the referendum re voting to increase money for schools, you said it would not increase our property taxes. However, ours went up \$300 for each of the last two years with three more years to go; because you raised the value of our home in order to get the money.	2/18/2020 10:11 AM
60	The taxes are WAY too high for the services we receive. We are especially unhappy about the increase in property taxes due to raising the value of our homes. We believe this was done to cover the extra school money that was approved based on the promise of no property tax increase. Our taxes went up \$300 for each of the last two years -- ridiculous -- with three years remaining.	2/18/2020 9:44 AM
61	Need better snow removal. Roads constantly become ice due to lack of timely snow plowing.	2/18/2020 8:32 AM
62	taxes are high for what we receive	2/17/2020 11:54 PM
63	Taxes keep going up and more building occurs. You would think taxes would go down or stabilize	2/17/2020 8:53 PM

70	need leaf collection	2/16/2020 9:47 PM
71	Yard debris pick up????????!!!!?????	2/16/2020 6:51 PM
72	Taxes exceptionally high, don't feel like the services are any different in quality than lower tax areas I have lived.	2/16/2020 4:12 PM
73	There are zero streetlights in my neighborhood. My property taxes are beyond insane & I'm not sure why !!!	2/16/2020 2:19 PM
74	Reason I say fair is that Suamico has basic services, unlike many communities. For the services provided they should be all top notch. The parks need many updates for young families and amenities for older active adults.	2/16/2020 12:47 PM
75	Rural side need more attention when it snows	2/16/2020 11:57 AM
76	No curb and gutter on Riverside Drive.	2/16/2020 11:24 AM
77	My concern involves the drainage ditches. A lot of water doesn't drain from properties because of grass, stick or branch filled ditches. A roadgrader would work nicely to fix this maybe help with mosquitos.	2/16/2020 10:33 AM
78	taxes are high especially on limited budget	2/16/2020 10:22 AM
79	My taxes are double of what I paid in Howard, I am not seeing any additional benefit. Also, there is no large garbage pickup included.	2/16/2020 10:03 AM
80	I feel like I pay too much... over \$5,000.00!	2/16/2020 9:19 AM
81	Great school system	2/16/2020 8:36 AM
82	Compared to friends and family in Howard, we receive fewer services but pay more in taxes. Howard also seems to be more fiscally responsible and have more of a plan for their village.	2/15/2020 10:17 PM
83	taxes too high	2/15/2020 9:10 PM
84	Way too much spending on new city hal and firehosue now	2/15/2020 8:10 PM

88	We do not have water utility, should not have to pay for water debt.	2/15/2020 2:45 PM
89	Taxes see, high, especially compared to Howard	2/15/2020 2:24 PM
90	Water and sewer charges on bills are too high	2/15/2020 2:00 PM
91	Water cost is high. Water quality could be better.	2/11/2020 7:06 PM
92	Refuse to properly fix/replace the road, allow residents in area to dump brush and yard waste into our ditches, last to be plowed.	2/10/2020 9:53 PM
93	If this too, "tax dollars" includes HSSD, then very poor. Shady referendums past recently violating trust with the village.	2/10/2020 8:15 PM
94	I really wish we had walking/biking trails. It is very hard to do that on Cty M and Northwood Rd	2/10/2020 5:24 PM

4	In general, Suamico is a safe community. Some of the older structures in the village don't seem to conform to current building codes, and many of them are shabby and convey a poor image of the community.	4/28/2020 9:28 AM
5	Need to shut down junkyard at 2244 Cardinal Lane!	4/7/2020 1:08 PM
6	Suamico offers a beautiful serene atmosphere but isn't very diverse. I find myself visiting Green Bay to enjoy more diverse options: dining, entertainment, communities etc. I'd like to see more diversity in Suamico.	4/3/2020 2:20 PM
7	But I don't say this for anything the village has done. It's the location	3/28/2020 6:04 PM
8	Piss poor planning for roads. Let's put in a ton of businesses with one lane as the main entrance. White Pine is way too narrow to serve as a main connector to several subdivisions. Velp is merely a speed trap. Harbor Lights should be another highway entrance location. Roads are narrow and without sidewalks, kids and other walkers are often at risk.	3/25/2020 10:51 AM

Helping to develop land by paying for curb and gutter and encouraging building which will expand the tax base and make the village money. We should be good stewards of the money we have been given back to us and that doesn't mean hoarding the money it means making decisions on how to use OUR money not yours to make the village a better place to live	2/15/2020 10:17 PM
37	The additional growth along Lineville and in Vickery Village has been nice for the community.	2/15/2020 10:17 PM
38	That depends entirely on the friend.	2/15/2020 6:55 PM
39	Likely but would have to inform a friend of the expensive water/sewer fees.	2/15/2020 5:41 PM
40	Howard has a better selection of youth rec programs, we will sometimes use their rec services because we have a small selection.	2/15/2020 3:16 PM
41	It's a beautiful place to live, but sometimes feels like there are communication and service gaps.	2/13/2020 10:29 PM
42	Not now, homes are way over priced. Wouldn't feel comfortable screwing over a friend in today's market. Oh, get you heads out of the sand; HSSD needs to improve on practices. More Arts and less Sports funding; past students can fund sports and sports development. As a former athlete I'm deeply saddened there is not more in the Arts.	2/10/2020 8:15 PM

#	ADDITIONAL COMMENTS	DATE
1	I think the more we can encourage community togetherness and building up inviting public spaces for people to gather is great. By inviting, I mean places to sit and flower beds. I hope the Suamico farmers market can expand and be held on the weekend? I believe it currently is scheduled on a weekday.	5/3/2020 8:31 PM
2	you need to make sure the zoning is carefully planned not to have just sprawl.	5/3/2020 11:17 AM
3	Need to bring in healthier eating options at reasonable prices and big box retailer	4/29/2020 6:54 AM
4	As Suamico grows, I would like to see two things. First, fiscal responsibility. It appears to me that we are still managed as a rural area and we've outgrown that model. Secondly and related, I would like to see us be a leader in village management. I believe we have established the schools as leaders but I don't see that when it comes to village services and infrastructure.	4/28/2020 1:03 PM
5	PLEASE KEEP TAXES UNDER CONTROL	4/28/2020 12:50 PM
6	We are quickly losing the quality of small town life with increased population density and resulting noise.	4/28/2020 10:43 AM
7	Unsure. I don't think that continuous development is always a good thing. As the resident population grows here, it puts greater stress on the school district, water and sewage, police and fire. All village services. There doesn't seem to be much thought to the "cost" of development.	4/28/2020 9:28 AM
8	The village should NOT CONSTRUCT the new fire department in the corner by the frontage road there is no room for future expansion	4/23/2020 1:22 PM
9	We really need to develop along hwy 41 with businesses and a business park that can generate tax base vs. adding additional subdivisions and ice cream shops and banks.	4/23/2020 11:56 AM

22	Could go either direction it seems- the city seems to lack direction	3/31/2020 2:18 PM
23	Why do we need to spend outrageous money for a new fire station?	3/28/2020 6:04 PM
24	Concerned about the conservative approach to development as compared to Howard	3/25/2020 10:55 AM
25	Priorities seem to be building nice facilities for yourselves and collecting more revenue by setting ridiculously slow speed limits. Look at the Bellevue area; they built roads before adding in businesses. They planned ahead. You are always playing catch up.	3/25/2020 10:51 AM
26	Again, wrong direction with tax rates	3/16/2020 8:01 AM
27	Need to maintain rural atmosphere. Don't make it a city lifestyle.	3/15/2020 10:08 AM

66	I would like to understand what direction the village is heading. You don't even have a newsletter. Some links on your website don't work. Very hard to follow what the Village is planning. Your online water/sewer information is lacking, including bill payments.	2/16/2020 10:03 AM
67	Long term plans for commercial property growth lacking. Need to be working harder with retailers to find a good replacement for Shopko.	2/16/2020 9:29 AM

69	We need an anchor store like Target,	2/16/2020 8:43 AM
70	Duck creek pop warner was allowed to make a mess out of the field east of Seafarer which ruined our view of the bay and brought invasive plants into the area. There are concrete pipes and erosion control materials that was left there after they couldn't come up w the money to develop into football fields. The village needs to think things through before offering their land for theses types of things. The village also needs to be more friendly to arc and snowmobile users.	2/16/2020 12:25 AM
71	See above	2/15/2020 10:17 PM
72	The communication from the village about plans for the future is not the best, so I am unsure. I heard from others about a plan for the fire station and needed to search the website to find out about it. Additional village buildings are being built, but are they needed?	2/15/2020 10:17 PM
73	Love the development, services received are good, would like to see all vacant stores have a tenant.	2/15/2020 8:35 PM
74	We need more Family restaurants and less bars. Chain restaurants and a TARGET!!!	2/15/2020 6:42 PM
75	The allure of Suamico is the green space. The goal of the village should be maintaining and not trying to be the next Howard. We don't need subdivisions in every green field available. (Does this generate more money for the village, sure, but this doesn't come without greater expenses and allocation of resources) The village is currently engaging in a "rat race" Property values will grow and provide greater tax revenue without the change in the amount of services needed if we preserve what we have with out engaging in the traditional "rat race" that most municipalities do.	2/15/2020 6:40 PM
76	Due to spending money that is not necessary	2/15/2020 5:32 PM
77	Continue to sucure state and county land for public use. Keep new subdivisions to a mininum.	2/15/2020 4:25 PM
78	It is an issue by issue thing. Right direction on a lot of stuff, wrong on a few things.	2/15/2020 3:29 PM
79	Because of our high property tax, I am reluctant to recommend Suamico to others. We should be an up and coming city encouraging more diverse retail to build a better tax base. I would find ways to encourage more businesses to establish us as a base.	2/15/2020 3:16 PM
80	I wish you were required to ask tax payers before you spent large amounts of money on building projects.	2/15/2020 3:15 PM
81	Other than high property taxes, right direction	2/15/2020 2:24 PM
82	As long as residents have a say in how tax dollars are spent. Can't build a new fire station without resident approval!	2/15/2020 2:03 PM

1	My family has owned this home since 1960. This street/area was and still is a residential area. I do not feel the city is doing enough to keep it that way with traffic and the park is not being utilized as it was purposed. it was not suppose to be a boat landing or the ice fishing capital NEW. Our daily lives continue to change as this area is over used and over run with sightseers who like to drive up and dead a dead end road.	5/3/2020 11:17 AM
2	Next time please give us a direct link for the survey.	5/2/2020 1:28 PM
3	Some roads are in rough shape, some areas not to much my neighborhood but the seems to be poor drainage	4/30/2020 3:04 PM
4	Concerned that our wetlands are being used for developemnt.	4/28/2020 6:37 PM
5	Streets need resurfacing and cleaning.	4/28/2020 4:13 PM
6	I have emailed and left messages for Village personell that go unanswered. I have asked questions and made recommendations. As a taxpayer, even if the idea is not in line with the Village's strategy, please at least respond to the correspondence.	4/28/2020 1:03 PM
7	Lakeview Drive is in terrible condition for such a busy road	4/28/2020 12:24 PM
8	Police presence is very low and response times are low; streets are poor quality and poorly maintained re: water management and snow removal; enforcement of hunting, burning, and speed limit is nearly non-existent; village personnel in office are responsive	4/28/2020 11:43 AM
9	I think that taxes are high here, probably due to the school district. I've had good experiences with village services in the past year. I have had negative experiences in years past.	4/28/2020 9:28 AM
10	Our flooding issues seem to be ignored and the amount of traffic we receive on a dead end due to poor signage has changed the atmosphere of the neighborhood.	4/25/2020 12:14 PM
11	We have had some unfortunate experiences here Tried to build a duplex across the street in single family zoning. We did get legal counsel and that did not happen. We opposed the building of the village counsel behind us but that did turn out very nice so we were wrong there. We have had a bad experiance with the barn parties but that has been addressed so hope it really continues to be day socials and education. There are residents that live next to it and are very impacted. The board has evolved and greatly improved since we have moved here It is also nice to see some new faces like the administrator to be open minded and creative to move the village forward. When we moved it here it was the good old boys network at the village so it is nice too see some progressive and balanced change	4/23/2020 5:48 AM
12	Culverts by the marina are clogged which impacts flooding	4/21/2020 8:09 PM
13	Good snow removal.	4/16/2020 7:31 PM
14	Regarding the unfavorable rating on "Village Code Enforcement", per Village Code 12.09(1)(a), there shall be no parking between 2-6 a.m. during the winter months. This is for obvious reasons. There is a habitual offender of this on Longview Ln. that has vehicle(s) on the street during this time, causing plows to plow around the vehicle(s). During the thaw-freeze cycle, the created snowbank turns icy and causes a road hazard. It's common sense, though I never see any action on this (7 years now). If I honestly have to, I'll call it in, but I thought the situation would have resolved itself by now. Regarding the unfavorable rating on "Storm Water Management", I have been in contact with the Village regarding the lack of drainage along Longview Ln. (in particular the stretch I live on). This past summer, the ditch from my driveway going north was dredged (thank you), though the problem still persists that how it was dredged created high spots, which causes flow issues. The ultimate problem is that there is no gradual slope to any of these ditches to allow for better drainage. Yes, I agree there isn't much of a natural slope in this area. This is why one must be created. The evidence of aerial photos going back to the 1930s shows when the problem developed, which looks to be when the subdivision to the back of my property was put in. Now I am surrounded year-round by standing water. You can imagine how miserable it is to be outside with how terrible the mosquito population is.	4/15/2020 7:31 PM
15	I live in Hunters Run. Snow removal in our area is terrible - we are pretty much ignored after a snow fall. . The roads in the area need work - very poor. It is felt by many that live here that pay high taxes, the service we get is poor.	4/14/2020 7:08 AM

17	When I first moved here the water(bacterial)testing failed. Not familiar with many of your services.	4/12/2020 4:22 PM
18	Restore the speed limit on Velp avenue to 45 MPH, consistent with Howard. Then coordinate and enforce it!	4/7/2020 1:08 PM
19	Streets are in poor shape and very narrow which makes them dangerous for biking, running, and walking. We have a great opportunity for things like bike paths and running trails, but totally neglect those things. How about having a trail to connect with the Mountain Bay Trail, or running a trail from the town to NEW Zoo area?	4/4/2020 9:51 AM
20	Thank you for keeping Suamico clean and green; Barkhausen is a personal favorite. We would love to see bike paths that allow travel into Urban Legend etc from Hunter's Run subdivision.	4/3/2020 2:20 PM
21	We leave our exterior lights on nightly for security purposes, street lights would be a great improvement. Water in ditches needs to be addressed. Retention pond 2 doors away but water doesn't get to it because of improper grading of ditches towards pond.	4/2/2020 11:48 AM

23	The roads within the town limits are awful and in a great deal of attention- specifically Lakeview. I would think a road leading to a fantastic nature preserve would be better, and represent the community and preserve itself in a better light to visitors.	3/31/2020 2:18 PM

26	I still do not understand why as a Village, we are not creating a partnership with local businesses and landowners along the Suamico River and County Hi-Way B to create a bike/running/trail that links the Reforestation Camp, Barkhausen Wildlife Sanctuary, and the Mountain Bay Trail in Howard together in a network for people to use. Seems like good economic development to me. Jason Berna	3/30/2020 10:09 AM
27	The yard waste recycling center is a joke. Hard to drive in and out. There is no mulch for the residents. Too bad you don't take a cue from our neighbor Howard	3/28/2020 6:04 PM
28	Speed limits make no sense. County trunks, which are main arterial roads that are wider and in better condition than town roads, yet are the same speed limit. County trunks across the state are typically 55 MPH.	3/28/2020 5:39 PM

35	This happened more than a year ago but the lack of sewer operation/cleaning caused the sewer to back up into my basement and the Village of Suamico held no responsibility for the damages they caused.	3/18/2020 8:58 PM
36	Voting at the Village Hall is easy and the folks that work there are friendly and smart!	3/17/2020 9:11 PM
37	I have heard rumors that some citizens are pushing to allow driving ATVs on village streets. That would be dangerous, noisy and totally unnecessary. We have people that are riding on the streets in our neighborhood. Some are kids of 10 and 12! This is very unsafe as cars come around corners too fast. It is putting many at risk! Someone will get seriously injured or die. Please do not allow it!!!!	3/17/2020 10:00 AM

44	The snow removal seems to be going downhill. All of our neighbors and I have to plow paths to the county highway (which is always plowed) to get to work or we get stuck because our street is never done in a timely manner. The last major snowfall, our road was not cleared until 11:30 am while many surrounding streets were cleared by 7:30 am. I've seen this many times lately.	3/1/2020 9:18 AM
45	1. Need to add a continuous sidewalk from that runs from high school to Urban Edge. 2. We have a great community that has the ability to discuss and work things out. I wish we could find a way for people to get more involved village in government and community. People really miss out when they dont participate or have an opportunity to.	2/29/2020 5:46 PM
46	taxes keep going up and up. I understand sometimes they need to go up for something but then they should go back down when that is finished. Don't find something to spend it on. There is new housing that should cover some additional expenses. I remember when Vickery was town president there were years when the taxes went down. That is good and fair management.	2/28/2020 4:22 PM
47	Village staff has been very helpful with questions we've had.	2/28/2020 10:37 AM

49	Great place to live	2/25/2020 9:13 AM
50	Make Lineville 2 lane and make the businesses pay for it. The schools next to the businesses as well as the only way for many people to get to the highway is a growing problem that cannot end up with higher taxes for a lack of planning.	2/24/2020 8:37 PM
51	I am a bit unhappy with the services I have received about traffic/safety living on a busy road. I would like to receive more support to keep drivers and our family safer. The traffic has increased tremendously since we moved here and we have seen little to no change in signage, road updates, or police surveillance of speeders. We would like this worked on between Village of Suamico and Oconto County to ensure there are no more accidents in our front yard. Thank you again!	2/23/2020 10:35 PM
52	Many roads are in disrepair. County J/Lakeview Drive is in poor condition and the Village & County should consider resurfacing and widening the road. There are often pedestrians and bicyclists on the busy road without a safe area for them. The same issue exists on Longtail Beach Road between Lakeview and Longview. There are a lot of pedestrians and parked cars with not much of a shoulder to provide safety for them. Longview Drive, south of Longtail Beach cannot even be considered a useable road any longer. We have difficulty walking on it, let alone driving on it. Many Hunters Run residents would use this road along with the back entrance of the subdivision to eliminate traffic within the subdivision where there are many pedestrians and small children playing on or near the street. Assume that s road has been let go due to the high number of construction vehicles for the subdivision. However, there are very few vacant lots remaining, and I urge you to consider rebuilding this road as many more people would use it if it were in good condition.	2/23/2020 9:10 AM
53	I think the law/ordinance that forbids building a structure between your house and street is stupid. I also think the idea to require parking lots to be behind the buildings in Suamico (B/Velp) is stupid and creates an eyesore. Why does Velp need to be 35 MPH? B is 45 MPH and is just fine. Velp Seems a bit of overkill. There are no more residences on Velp once you leave the village proper than their are on B.	2/22/2020 8:52 PM
54	Glad to see you are doing strategic planning. Good luck.	2/22/2020 1:24 PM
55	Taxes are too high in the Suamico area. While the area is nice to live in, extra fees, zoning regulations, permits, and road services are a potential future problem for the village.	2/22/2020 1:13 PM
56	Thank you for supporting the growth of a great community.	2/21/2020 7:52 PM

## 2021 - 2023 VOS Resident Strategic Plan Survey

57	Please reference comments above regarding excessive speeding in neighborhoods. No need for more streetlights - keep it rural!	2/21/2020 4:59 PM
58	7" of snow last storm. Takes almost 24 hours to clean roads in our subdivision but rd with 4 houses cleaned much earlier. Makes it hard to get to work	2/21/2020 2:10 PM
59	I think there needs to be better lighting on some of the ,("more traveled) rds	2/21/2020 12:48 PM
60	Snowplowing is great. Building permit experience was good. Road maintenance and Water drainage maint. is just so-so.	2/21/2020 7:53 AM
61	I would like to see more money and better maintenance on our roads. Year after year they seem to get worse and worse, meanwhile the village is repaving frontage roads that no one uses? I'm not sure some of the busier roads are being placed very high on the list of priorities.	2/20/2020 6:10 PM
62	Village has done a good job dealing with shoreline flooding.	2/20/2020 5:13 PM
63	Every time I've gone into the Village Hall It's been a very pleasant experience! Always friendly, always helpful knowledgeable staff! Keep up the great work!!	2/20/2020 4:28 PM
64	I wish we had a splash pad or two	2/20/2020 2:46 PM
65	Roads are narrow, no bike/walk/run paths or safe streets to do so. Parks are made up of ball diamonds and very little of anything else. Farmers market is useless and held at a bar. Everything is built around drinking alcohol, nothing for adolescents to do out here, so many banks/credit unions and not enough restaurants/shopping/entertainment etc and too many taverns	2/20/2020 7:20 AM
66	Please stop city like expansion of stores ect. People moved out here to be away from the city, yet you seem to want to bring city stores ect out here. If people wanted to live in the city they could just have stayed in Green Bay, DePere, Ashwaubenon ect.	2/19/2020 2:17 PM
67	More recreational trails	2/19/2020 12:16 PM
68	More street lighting please! Especially on the corner of Riverside Drive and Velp Ave. People park car's on the street to go to Rustique and it can be VERY hard to see people in the dark. It's an accident waiting to happen.	2/19/2020 11:24 AM
69	I've called in the past about dead deer pickup along a village street and about big potholes. I have been happy about the responses.	2/19/2020 10:03 AM
70	If you're going to keep charging us crazy taxes, what's in it for us? How about a pool	2/19/2020 8:39 AM
71	Garbage pick-up people are careless about putting down the containers, leave them in the middle of drive and it is dangerous to have to stop my vehicle in road in order to get into my driveway. They are not thinking or considerate.	2/19/2020 7:05 AM
72	The beauty of residing in Suamico is the lot sizes of properties. Please keep developers from creating pop up neighborhood with smaller lot sizes. Keep apartment and duplex living in designated areas away from larger lot sizes. Have a standard of "tidiness" for all residents. Some Suamico residents are allowed to accumulate garbage on property giving the area a trashy impression such as the resident on White Pine Dr. I.e. boats, campers, out building, garbage, truck parts, etc.	2/19/2020 3:00 AM
73	Recycling pick up every other week is not enough. It should be weekly like trash pick up. We have to pile recycling in our garage because our bin is always full.	2/19/2020 12:24 AM
74	We need a store out here in place of losing shopko and the express and now the family dollar in howard.	2/18/2020 10:03 PM
75	I would really like to see more parks for children/outdoor ice rink. I also wish we had large item pick up once month for garbage like most municipalities.	2/18/2020 9:04 PM
76	We lose power very easily in a residential area. Our water is discolored more times than we would expect being on city water. Snow removal promptness has been excellent on Moose Creek Trail.	2/18/2020 8:26 PM
77	Wen could really use a pharmacy or main shopping center. Ex. Express Target, Walmart, Meyer. Somewhere where groceries and all other items can be purchased under one roof.	2/18/2020 7:38 PM

## 2021 - 2023 VOS Resident Strategic Plan Survey

78	I would like taxes to lower. But if they cannot be lowered I would like a roads fixed and snow removal improved.	2/18/2020 5:34 PM
79	Sewer and water bills are over priced	2/18/2020 4:53 PM
80	Would prefer weekly recycling collection or extra recycling cans.	2/18/2020 3:48 PM
81	Speeding on streets	2/18/2020 3:42 PM
82	Suamico is a desirable community that is growing quickly. I believe there is a fine line between growth and development and maintaining the desirable pastoral setting. Please do not prioritize simply the benefits of tax dollars. I appreciate that development management can be a challenge when continuing to maintain quality schools.	2/18/2020 1:34 PM
83	why are the taxes always going up??	2/18/2020 12:46 PM
84	New to this area we wish some people were more friendly and there were community activities on the east side of town utilizing the field space in the recreational area...like a community picnic or ice cream socials.	2/18/2020 11:35 AM
85	I like the way most new construction seems to require larger lots (helps keep Suamico less dense), but maybe there is a way to increase development in our community. Howard is growing like crazy and I wish Suamico would grow as well.	2/18/2020 11:17 AM
86	Have no sewer or water from town, yet pay for it on my property tax bill!	2/18/2020 9:32 AM
87	The water utility enforcement/increase is ridiculous. If I have a well, I should be able to use it. Not forced to use the city water. We have no storm drains or sidewalks either. Why is the sewer bill so high.	2/18/2020 7:52 AM
88	Just moving here within the last couple months, I am new to Suamico. Everything is good, except I think that sewer utility can be kind of a scam. I understand costs involved with infrastructure, but my sewer bill (unmetered) is like \$200 a quarter. That's just a little ridiculous. Also I was looking at building a residence on a vacant lot I own, and my biggest turn off is the \$4000 impact fee. Not only do I have to pay \$4000 to hook up to the sewer, but I also then have to hire a contractor to cut into the road and hook it up. I'm fine paying the \$4000 but you would think they would be providing some sort of service for that like running the lateral in the right of way to the lot line or something. It makes it almost impossible to try and improve a lot and increase the tax base with this hurdle. I'm still trying to find a way to make it possible but the expense of it may not make it reasonable.	2/17/2020 9:09 PM
89	Micro Brewery off Lineville is a nice add. Starbucks is a good add as well	2/17/2020 8:53 PM
90	The railroad tracks need to get repaired on Wood LN the concrete is awful and I feel like my shocks are taking a beating any time I drive over them	2/17/2020 7:54 PM
91	My biggest concern for the village is lack of pedestrian-friendly walk ways. There are many people that navigate the roads for fitness / leisure for which there is minimal to no shoulder to safely navigate. I have concerns for my kids recreation, my personal safety as a pedestrian, and the safety of others as a driver.	2/17/2020 7:18 PM
92	The village needs better street lighting in all densely populated areas. Every street corner should have a light.	2/17/2020 3:59 PM
93	Called regarding our drainage ditch in front of our home. Mike was very responsive but due to timing nothing can be done until next spring. Also called on dead deer carcass on side of road and it was promptly removed. Was wondering if there has been any consideration about adding a "drop down" gate when plowing so the plow doesn't push everything into the driveway? (Saw something on FB about a city that has it and it's way cool!)	2/17/2020 3:37 PM
94	See above.	2/17/2020 3:03 PM
95	park and rec pushing snowmobile trail on dead end road - noisy neighbors that you can;t do nothing about	2/17/2020 2:01 PM
96	Streets are in rough shape. Snow plowing occurs maybe once then you never see them again. Garbage collector essentially "throws" down the can after emptying it, leaving it lie in the middle of the drive way	2/17/2020 1:18 PM
97	Lineville Rd. needs to be made into two lanes on each side of traffic; I don't drive down Lineville	2/17/2020 12:16 PM

## 2021 - 2023 VOS Resident Strategic Plan Survey

anymore due to traffic congestion. We need a big box store as a replacement for Shopko. There needs to be more development in north Suamico (Sunset Beach area).

98	Went into the office to get absentee voting information and the ladies behind the desk were fantastic :)	2/17/2020 11:16 AM
99	Would suggest that you factor in green space when developing land and develop Vickery Village into more of a tourist attraction. Spork needs to go and mom and pop restaurant return.	2/17/2020 10:26 AM
100	Need a store since Shopko went bankrupt. Target, ikea, Lowe's. Craft store or Barnes and Noble would be awesome too. Need more money in road improvement and snow removal budget. It would be beneficial to have paths created on the outskirts of autumn ridge subdivision, along county M, and Anston Road to bike, run, walk as this is an area that is VERY busy during non-winter months. It would allow kids & adults in this area to get to the park or enjoy the outdoors in safer manner!! Allow snowmobile trails in the village!!!! Village missing out on income to local businesses!	2/17/2020 9:50 AM
101	Water and sewer too expensive. For the price we pay for taxes, garbage removal, recyclables and yard waste they should all be picked up by the side of the road and not entail a separate fee on the tax bill. Our roads should be maintained more regularly. Also the police should stop harassing Shoot's Bar and Grill. Steve is a great contributor to the community on many different levels.	2/17/2020 9:22 AM
102	There is no where to walk safely along the narrow streets.	2/17/2020 8:52 AM
103	Received good customer service when called about issue on our road.	2/17/2020 8:13 AM
104	Other than refuse disposal we have little contact with Village services. We live in an area that is completely sand and we have no need of stormwater services yet must pay fees for such. This is simply a tax, which we are opposed to.	2/17/2020 8:05 AM
105	I appreciate the increase services offer in the disposal of oil, computers, electronics, etc.	2/17/2020 7:42 AM
106	The fire station that was going to be built sounds like a big waste of money. Being responsible for every dollar you spend should be the main objective for you to accomplish. Not to make it foolish spending, and every dollar you spend should be what we need and not what you want.	2/16/2020 7:29 PM
107	I would love to see a fabric store/craft store.	2/16/2020 7:14 PM
108	we pay a private lanscaping company \$52.75 every year to come and pick our leaves. As was the case this fall with temperatures falling sooner than later we will have to have them come again this spring to get the rest. Every other mucipality in the area provides this service and at over \$50 each trip (even knowing we could haul it ourselves) this burden could easily be shared across the tax base and help every single household in the community. PLEASE consider this service because twelve trips to the yard waste facility, waiting in line 20 minutes each time amongst a lot of people who dont know how to drive trailers...seems kinda of rediculous and there in lies our choice to hire it out ourselves.	2/16/2020 6:51 PM
109	We are east of CTH J, east of Idlewile Park. Years ago the town/village ran a storm sewer under CTH J draining the park through our back and side woods. In the past the village (Dan) basically said to call the county, it was their decision/jurisdiction to put in the storm culvert and he (the village) was not able to do anything about it. Kind of felt he was washing his hands of it.	2/16/2020 6:41 PM
110	A wonderful place to live. Very quiet and safe neighborhood	2/16/2020 5:19 PM
111	Burning permits are unrealistic	2/16/2020 4:49 PM
112	the ditch in front of my house needs to be cleaned out, I've done what I can with trimming and keeping it clear but we need a machine to come in and gouge the ditch clean of debris	2/16/2020 1:06 PM
113	Side streets need to be resurfaced .... Ives, Coach Lane.	2/16/2020 12:25 PM
114	We do not need any new buildings or departments	2/16/2020 12:06 PM
115	Lineville is growing nicely but traffic is too congested especially when school starts and ends or when people are traveling to work and back. Please search for other areas for businesses.	2/16/2020 11:57 AM
116	IT IS A GOOD AREA, BUT PEOPLE DON'T RESPECT YOUR PROPERTY AND A NUMBER OF PEOPLE CAN BE MORE RESPECTFUL HOW THEY DRIVE. A LACK OF POLICE PRESENCE.	2/16/2020 11:24 AM

## 2021 - 2023 VOS Resident Strategic Plan Survey

117	Very happy with timely snow removal.	2/16/2020 10:59 AM
118	Thanks , my n/a on comments is because I haven't used some of these services, but I have confidence in them and the people.	2/16/2020 10:33 AM
119	lived here long enough to hear....this is the best place for....with future growth...only to hear a few years later....no we need to move.....more cost, more cost etc. taxes go up, school cost go up, but most of us....income does not go up & no kids in schools	2/16/2020 10:22 AM
120	love my snow plow driver,he knows how to plow and do an excellent job . compliments to our village utility crew	2/16/2020 10:21 AM
121	Is there no regulation or oversight on the construction of new homes in the area? I've been watching homes go up in this area for 2 years now that should be regulated as far as watershed goes. Who does that? The home construction happening affects those with existing homes, there should be more oversight on the builders.	2/16/2020 10:03 AM
122	Hate that I was forced to get water when I had a well that was working just fine.	2/16/2020 9:43 AM
123	Would like to see bridge over suamico river on hwy m, close to b replaced.	2/16/2020 9:19 AM
124	Common sense goes a long way.	2/16/2020 8:49 AM
125	I would like to have ATV use on public roads in select areas. specifically around the mouth of the suamico river. Sunset beach road should be an ATV route. I would also like to see UTV's classified as street allowable slow moving vehicles in suamico.	2/16/2020 8:36 AM
126	Police service and animal control has been very good. I wish there was yard waste pick up. My taxes are very high and I receive very limited services.	2/16/2020 8:05 AM
127	Over the last two years we have noticed a significant increase to traffic on Pine Lane. Widening for safety/bike lane/pet walking would is much needed as there is a steep shoulder on both sides of Pine lane from County B all the way North to Chase Road.	2/16/2020 7:50 AM
128	The intersections of Velp and White Pine as well as Velp and Riverside Dr are dangerous and need to be addressed. I don't think roundabouts are out of the question. It is nearly impossible to make a turn onto Velp when heading East on Riverside. Sidewalks and more public parking in the Vickory Village area as well as sidewalks on Riverside west of Velp would be great.I think more street lights and better bike lanes on Velp should also be a priority. Lastly the village needs to be more transparent on what they are and are not spending money on and why. The only thing I have to compare it to is HSSD which proactively send out emails (easy to get the info) on any and all projects that they are investing in. I have never seen any communication on where our money is going. All of a sudden the is a Village of Suamico sign up and fro what I have heard, because the Village hasn't put out any info on it, wasn't wired for lighting so more money had to be spent, which we weren't told about, to fix it. That is not a way to run a Village. I am not asking anyone to be perfect but communication is easy.	2/15/2020 10:17 PM
129	As mentioned previously, I feel that the communication from the village is poor. We used to receive newsletters but don't anymore. I tried signing up to receive the newsletter through email but the link on the village website did not work. There seems to be a disconnect with what the Village is doing and what gets shared with residents,	2/15/2020 10:17 PM
130	Suamico is starting to look more Urban. This is a negative move. Much of the draw for residents has been country living with convenient access to city	2/15/2020 9:10 PM
131	The entrance to Hunters Run subdivision on Long Tail Beach Road gets very icy in the winter because the trees block the sunshine. This section of road needs to be salted or sanded more to prevent accidents	2/15/2020 8:08 PM
132	We called 911 for an emergency with one of our son's one day. A uniformed police officer and two EMTs arrived in minutes. Great job to them, and thank you. My last duty station on active duty was San Diego, CA. I tried calling 911 twice, crack head in the yard and jumper on a bridge, never got through either time. I was able to handle the crack head, not sure how the other guy ended up.	2/15/2020 6:55 PM
133	I think Target should go into the old Shopko building. NO MORE PIZZA PLACES NEEDED!	2/15/2020 6:50 PM
134	Would love a Walgreens in Suamico, closer to county B	2/15/2020 6:42 PM
135	Please keep municipal taxes low. You have done a great job of that in the past. With the large	2/15/2020 5:47 PM

## 2021 - 2023 VOS Resident Strategic Plan Survey

increase in school district property taxes we may have to move if they continue on an upward trend. Thank you for all you do.

136	The rural roads are not usually snow plowed until after 4pm or sometimes the next day.	2/15/2020 4:41 PM
137	There is a lack of walkability in our city. Especially on Lineville where sidewalks end without another picking up.	2/15/2020 3:16 PM
138	I struggle with the continued sewer debt we need to pay. Will we always need to pay this? A yearly update would be appreciated.	2/15/2020 3:15 PM
139	Slow traffic down on Lakeview Drive.	2/15/2020 2:45 PM
140	Need newer larger post office with more parking and drive-in mail boxes.	2/15/2020 2:35 PM
141	For 2 years we have asked to have dead and fallen trees removed from the walking path area behind the homes on Wisteria Cir. We were told: "we'll take care of it!" Also, the walking path should be fixed. pretty much grassy area. Bay Port athletes use this all the time, as well as many residents.	2/15/2020 2:00 PM
142	It would be nice to have more outdoor activity areas, like a water pad for children.	2/15/2020 1:16 PM
143	Expand housing and businesses	2/13/2020 6:03 PM
144	Would like to see a limited leaf or brush collection service, even for just a couple of weeks during spring and fall to aid in yard clean up.	2/12/2020 7:47 PM
145	I believe this is a great community to live and most of the village services are very good but there has been little done to prepare for the potential of the heavy flooding coming soon. Maybe a newsletter put out of what could be expected and what resources are available like shelters if something bad happens quickly and villagers need somewhere to go.	2/12/2020 7:25 PM
146	Regarding park and rec - would love some updates at the parks. A splash pad would be well received in this community. Different sporting options for kids. So many families with young kids - this is an important area to target. Allowing dogs in parks would be huge too for the families, especially calevera.	2/11/2020 3:16 AM
147	I love Suamico. I grew up here and it's where I want to call home. But the lack of the Village caring about our road is getting really old. I hear from everyone who comes to our house or those that live in Hunters Run complain about our road. People who walk down our road complain. Lamers Bus complains. We have spent thousands of dollars on fixing suspension on our vehicles. Not like I can take a different road home. I have a motorcycle and it's ridiculous. Our road doesn't even get plowed at a decent time. All the other roads around our neighborhood are done but not ours. Last night was a prime example. We pay taxes like everyone else. If we didn't then I could maybe understand why no one cares but that's not the case. I understand we are the only house on this section but that's not our fault. Have hunters run help Pay for it since it's all their construction vehicles that have done this.	2/10/2020 9:53 PM
148	Need more street lights and sidewalk. Also recycling every week would be better. Our recycling bin is always full. Everything else is great.	2/10/2020 9:49 PM
149	Would be great if The Village would allow UTVs in the streets.	2/10/2020 9:20 PM
150	Hey, figure out to have ATV routes already. Charge \$10.00 - \$20.00 annually for casual street use. Pilot program areas to see how it goes. There will be the few that place negative impact but it's needed as the surrounding areas are doing it. I'd like to see in the Fairview area personally.	2/10/2020 8:15 PM
151	We need street lights. We pay taxes let us see the street signs	2/10/2020 6:05 PM
152	It would be nice if they offered Xmas tree pick up, curbside large garbage items. Also brush, branches and leaf pick up.	2/10/2020 3:55 PM
153	I feel that EMS services would be better served by fire based EMS. County Rescue places a priority on making money through interfacility transports and pushes EMS to the side repeatedly to help bottom line. Fire based EMS may cost more but the level of service is way superior to private EMS.	2/10/2020 2:25 PM
154	Would like to see more events to bring the community together, place for us to put more money into the community and small businesses	2/10/2020 1:57 PM

## 2021 - 2023 VOS Resident Strategic Plan Survey

155	I think building restrictions are far to restrictive. The fact that you cannot purchase a piece of property and build a pole/storage building is absolutely crazy.	2/10/2020 1:25 PM
156	Utilized village planning and code ordinance. No issues, however situation did not warrant time spent. Use technology where applicable and increase efficiency. Viewing site and presenting at meeting was not a good use of everyone's time.	2/10/2020 11:21 AM
157	Outstanding Fire department	2/10/2020 10:23 AM
158	I would recommend leaf/fall pickup services be implemented. It is very difficult to get yard waste to a disposal site.	2/10/2020 10:00 AM

## 2021 - 2023 VOS Resident Strategic Plan Survey

#	RESPONSES	DATE
1	There will definitely be more traffic. Road modifications will have to be made. Even right now, a round-about should be constructed at Velp and White Pine Road. The area gets congested 4-6pm and especially when the high school/ elementary school releases students. SO MANY residents walk for exercise. If sidewalks/walking paths or wider roads could be constructed would be wonderful! St.Pats and Wood Lane has tons of walkers and I am afraid someone could get hurt because most drivers go 10 mph over speed limit.	5/3/2020 8:53 PM

14	Suamico is not physically attractive. Need better road maintenance and improved architectural and landscape design in all commercial developments.	4/28/2020 4:23 PM
15	Our taxes too high. Will leave if keep going up.	4/28/2020 1:15 PM
16	How to effectively manage growth	4/28/2020 1:14 PM
17	Hold taxes - seems excessive compared to other areas. Improve aesthetics of area. Improve roads - awful condition. Continued development.	4/28/2020 12:43 PM

21	Overdevelopment! There are serious issues with drainage and standing water around some newer developments. Balancing residential and commercial development with appropriate civil engineering practices and cost/revenue considerations will be critical.	4/28/2020 10:55 AM
22	Balancing development against the strain on Village resources.	4/28/2020 9:35 AM
23	Road upkeep is important. The areas along the Suamico River need better flood protection. The flooding mostly comes from the Sensiba preserve, surprisingly.	4/26/2020 11:33 AM

28	Don't build the new fire department in that little frontage road corner	4/23/2020 1:30 PM
29	More business development along Hwy 41 and get businesses (not banks and ice cream shops) to come here. Ashwaubenon, Bellevue, West DePere all have great business parks to generate a better tax base--we really have nothing to show from a business standpoint to attract people to Suamico	4/23/2020 12:02 PM

175	Keeping up with Growth	2/24/2020 10:05 AM
176	Growth - the Village of Suamico will have a lot of keeping up with increase in population. We need less banks and more grocery options (north of Lineville), safer roads, and more community activities that keep residents in the Village versus Howard or Green Bay.	2/23/2020 10:43 PM
177	Balancing act between expansion of land and businesses and not allowing area to become too developed. Want nicer stores on Lineville, not an Applebees. So far doing very well.	2/23/2020 7:34 PM
178	Raising taxes	2/23/2020 6:56 PM
179	People spend alot of money on UTV & ATV's as well as property taxes and they should be allowed on village roads.	2/23/2020 4:31 PM

334	commercial development in rural areas	2/17/2020 8:12 AM
335	Flooding is going to be an issue in the eastern section of the village. We need to make the village more suitable for walkers, runners, and biking. We were extremely disappointed when Long Tail Beach was refinished a few years ago and it was reduced in width. You could feel the difference when you drove down the road. It made it more dangerous for pedestrians.	2/17/2020 7:49 AM

## 2021 - 2023 VOS Resident Strategic Plan Survey

393	Increasing fire and EMS services. Ie: increase full time staffing	2/16/2020 8:20 AM
394	Outdoor recreation. We need bike lanes or sidewalks on major roads. Especially on B and and Velp	2/16/2020 8:07 AM
395	Replacing the Shopko and Shopko Express with a Target/Costco business in the same venue or relocate to the East of the Urban Edge. Perhaps the Shopko structure could be upgraded to a Movie/Imax type structure. Currently we shop for groceries at the Festival and travel to Meijer or Target in Ashwaubenenon for non-grocery shopping.	2/16/2020 8:06 AM
396	Risk of water from the bay and Suamico River	2/16/2020 4:32 AM
397	Fixing roads and reducing property taxes. Maintaining current level of services	2/16/2020 12:28 AM
398	To much growth especially with residential homes. And the potential of more over crowding in our schools	2/15/2020 11:07 PM
399	Being fiscally responsible with our tax dollars and using those dollars to develop the village/ keep up with the growth.	2/15/2020 10:38 PM
400	Family friendly development. You are lucky that the village is in such a progressive and strong school district, people want to move here let's help developers get that done and we will all benefit	2/15/2020 10:27 PM
401	roads	2/15/2020 9:40 PM
402	lowering taxes and listening to residents	2/15/2020 9:13 PM
403	Finding the right balance between nature conservation and expansion/development. We have a nice balance now, and continuing that as we continue to grow presents challenges. Another major one will be the increasing size of the school district.	2/15/2020 8:59 PM
404	School Support Tenants in all buildings High Standard of living	2/15/2020 8:44 PM
405	How to attract new residents to the Village.	2/15/2020 8:29 PM
406	Lower property taxes	2/15/2020 8:12 PM
407	Public works and building and zoning department	2/15/2020 7:17 PM
408	Overcrowding in kids schools, however, if I remember right, we are not currently allowing out of area students. Coming home to Suamico was always my goal, I'm glad to see that it has grown and been prosperous over the last 20 years.	2/15/2020 6:59 PM
409	Not over developing the village. We shouldn't strive to have more. Let's not try to be Howard or Green Bay. We need to be satisfied with maintaining and running as status quo. This should not be looked at like running a corporation and trying to grow as big and fast as possible. The village should be focused on preserving the current quality of life.	2/15/2020 6:53 PM
410	Maintaining a balance between development and a rural feel	2/15/2020 6:50 PM
411	Road repairs	2/15/2020 6:30 PM
412	Improve retail	2/15/2020 6:28 PM
413	Traffic caused by growth of the community	2/15/2020 6:09 PM
414	Too high of taxes from the school district. Keep village costs down, please. Why build a \$6m fire station? TOO MUCH MONEY and wasteful of our tax dollars.	2/15/2020 5:50 PM
415	I personally have concerns over possible increases in taxes as well as water/sewer bills as the Village grows.	2/15/2020 5:49 PM
416	Taxes too high for people to live here. Suamico purchased land for commercial development called the Suamico business park, and nothing has been done with it. Millions of dollars were spent on this. Nothing developed and that should be a priority. That would help get business in our area and get residential taxes lower.	2/15/2020 5:39 PM
417	Commercial development and planning	2/15/2020 5:32 PM
418	too much residential development	2/15/2020 5:30 PM

## 2021 - 2023 VOS Resident Strategic Plan Survey

72 What ever makes sense from a can the road and neighbor handle increase traffic, land site appropriate, close to water and sewer if applicable. Depending on location should determine minimum lot sizes. Areas that are already developed, subdivisions not an issue, an empty field in the middle of all rural setting, would not accommodate a "city" subdividing, but could accommodate rural lots at 2 acres....

34	Focus on trail and recreation development to increase property values	2/18/2020 11:50 AM
35	Need to also keep it as an affordable place to live.	2/18/2020 10:24 AM
36	I don't think people look at suamico and think about the rural character. I think development is necessary to attract more people	2/17/2020 9:13 PM
37	This is the most important thing for me and my family. The rural character of the village is why we moved here.	2/17/2020 9:05 PM
38	The 'rural character ' doesn't match the reality of the population	2/17/2020 7:21 PM
39	no more growrg	2/17/2020 4:44 PM
40	to large already allowing to many subdivisions	2/17/2020 2:10 PM
41	The old downtown expanding businesses is a gem. All of the natural open land is priceless.	2/17/2020 11:35 AM
42	It should remain rural, thats what people like about it	2/17/2020 8:33 AM
43	This cannot be emphasized enough.	2/17/2020 8:13 AM
44	However rural should not mean undiversified	2/16/2020 2:26 PM
45	slowly grow development.	2/16/2020 12:37 PM
46	The growth and development should only grow without government involvement	2/16/2020 12:10 PM
47	You can't have it both ways if you want growth. Green spaces are important. Keeps NEW Zoo and Barkhausen more rural.	2/16/2020 12:09 PM
48	AT WHAT COST TOO THE TAX PAYER?	2/16/2020 11:40 AM
49	i think if people want super rural, there are plenty of opportunities in NEW, suamico is semi rural in my opinion and should strive to stay that way	2/16/2020 8:42 AM
50	all under the umbrella of rsponsible spending	2/16/2020 4:37 AM
51	So less residential building. We need to focus on what we have now to make our village better than ever.	2/15/2020 11:16 PM
52	This allows for growth and development in areas of the village. Having access to restaurants and stores is a considered a plus in a community. It keeps/ brings people and \$ in our village	2/15/2020 10:44 PM
53	Thank God someone's thinking.	2/15/2020 7:08 PM
54	We don't need growth and development. If we do nothing and just maintain property values will be far higher creating greater tax revenue. With development comes greater Village infrastructure and allocation of resources.	2/15/2020 7:00 PM
55	I don't believe stressing rural is acting in our village's best interest. Times have changed and we should grow with opportunity.	2/15/2020 3:22 PM
56	Very strongly agree!!!	2/14/2020 6:33 PM
57	You can have develpment and Charm - lots of land	2/13/2020 6:10 PM
58	Residential area should be larger lots, rather than small cookie cutter lots.	2/11/2020 2:46 PM
59	Exactly why I said evenly spread. People come here for the out of town feel, the safety, and having a sense of their own space, not being jammed on top of their neighbors.	2/10/2020 1:00 PM

13	current restrictions force people to spend their \$ out of town	3/19/2020 11:25 AM
14	this makes sense especially in the northern part of the village as oconto county allows them on their rural roads	3/7/2020 6:26 AM
15	We will be moving to Oconto county, as they allow this	3/1/2020 11:23 AM
16	People respectfully and responsibly drive ATVs and UTVs around Harbor Lights lake occasionally. No issues.	2/29/2020 8:17 PM
17	As well as enforce speeds and noise	2/24/2020 8:47 PM
18	Most people like to ride in rural areas.	2/24/2020 11:55 AM
19	Would rather see bike paths, bike trails	2/23/2020 1:26 PM
20	I thinks these are accidents just waiting to happen.	2/22/2020 4:30 PM
21	Side roads	2/22/2020 1:30 PM
22	We have issues now of people not using common sense, that would only encourage it.	2/20/2020 1:06 PM
23	WE have nonstop traffic of UTV/ATV and snowmobiles using our road now, even though it's not permitted. The noise of these machines is ruining the rural quiet neighborhood. Forest Ridge Drive and Rose Lawn	2/20/2020 9:58 AM
24	unsafe for both auto drivers and ATV riders	2/19/2020 2:29 PM
25	too dangerous	2/19/2020 1:12 PM
26	People in Suamico already use their UTV/ATVs around neighborhoods, I don't think we need to spend funds on designated routes for them. There is no reason for ATVs to be on the main streets like Velp.	2/19/2020 10:12 AM
27	go up north to a trail if they want to ride ATV.	2/19/2020 9:20 AM
28	Most of Suamico is too densely developed to safely allow ATVs/UTVs to share the road with motor vehicles.	2/18/2020 10:12 PM
29	Rationale: Young drivers are not careful.	2/18/2020 12:43 AM

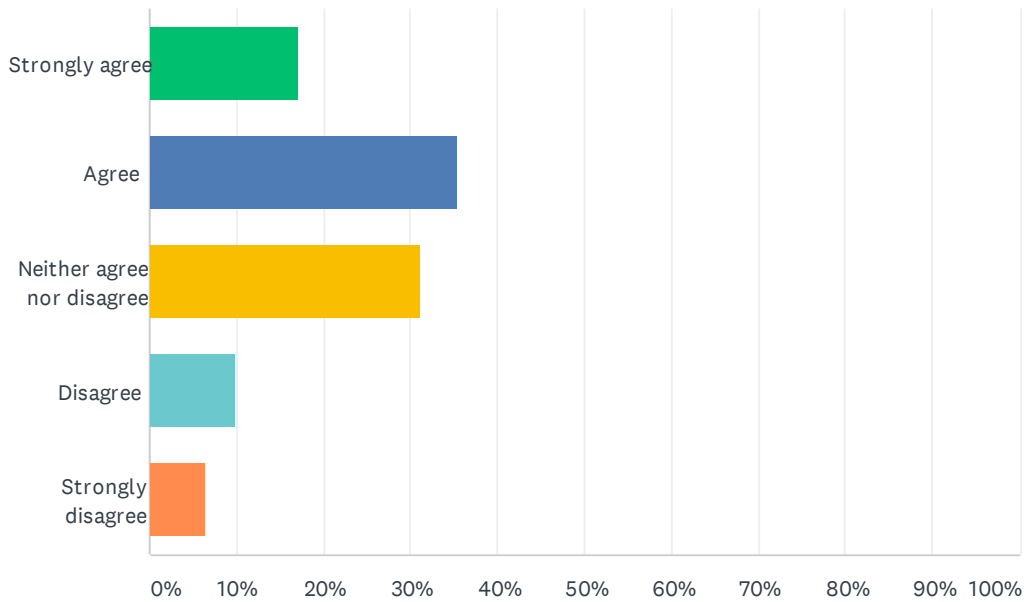

## 2021 - 2023 VOS Resident Strategic Plan Survey

30	UTVs are the same as cars.	2/17/2020 6:57 PM
31	Would be nice in more rural areas to run to neighbors on ATV rather than drive my car	2/17/2020 3:42 PM
32	add snowmobiles to the off list	2/17/2020 2:11 PM
33	Very/Too unsafe, especially with many roads not being lit with lighting. Also see it becoming a noise issue.	2/17/2020 12:25 PM
34	Allow snowmobiles instead!!!!	2/17/2020 9:55 AM
35	Pulaski already has this, suamico should also adopt this policy	2/17/2020 9:32 AM
36	Such vehicles should not be allowed on public streets unless licensed to be street-worthy.	2/17/2020 8:13 AM
37	ATV's bring alot of money into the community. I think an ATV/ ORV park should be considered. People will travel from all over the state to stay here and play.	2/16/2020 12:34 PM
38	THESE VEHICLES HAVE TO BE LICENSED. SAFETY ISSUE?	2/16/2020 11:41 AM
39	stupid idea ! see unsafe use now on our street,would only increase noise and safety concerns	2/16/2020 10:39 AM
40	They should not be allowed to be driven around houses in residential areas either.	2/16/2020 9:40 AM
41	We need to get with the times	2/16/2020 9:16 AM
42	see answers to previous questions. I agree with this and feel UTV should be classed as slow moving vehicles	2/16/2020 8:42 AM
43	need more information. is this prblematic now?	2/16/2020 4:38 AM
44	Seriously how about we make it safer for walkers and bikers in Suamico take your atv's up north this is a suburb of Green Bay a large city. There are plenty of area in this state that are suited for ATV use or city has bigger issues to worry about	2/15/2020 10:35 PM
45	This would be great, I'd even be ok with a pass system as long as it's a minimal cost. Expanding the snowmobile trail system would be nice too.	2/15/2020 7:08 PM
46	I feel like this would be revenue to all of the local businesses.	2/15/2020 6:52 PM
47	great idea!	2/15/2020 4:44 PM
48	Concerns over noise and safety of the roads.	2/13/2020 10:37 PM
49	This will cause more problems than what it's worth	2/13/2020 6:10 PM
50	Much needed for community.	2/11/2020 7:09 PM
51	We should at what other nearby municipalities have passed in their towns.	2/11/2020 2:46 PM
52	We would love to see this happen. We enjoy this in Oconto	2/11/2020 1:51 PM
53	Golf carts in neighborhoods too.	2/11/2020 9:48 AM
54	No. This is a safety hazard and it destroys the peaceful atmosphere.	2/10/2020 10:37 PM
55	Yes - Pittsfield allows UTV/ATV traffic and it makes sense for the more rural areas of the community	2/10/2020 8:57 PM
56	Our rural feel supports this opportunity which would not be feasible in a more dense city. Advantage to locating here.	2/10/2020 1:18 PM
57	I currently have to trailer my UTV 1 mile to take it on the Bay. Look to creat routes where it makes sense. Many people would benefit to have access by road to the Bay or other outdoor areas by UTV/ATV. Create speed limits to reduce noise.	2/10/2020 1:01 PM

13	A walking/biking lane/trail is desperately needed on County J (Lakeview Drive).	2/28/2020 10:55 AM
14	We need more dog-friendly recreational areas, where owners can cross-country ski or hike with their dogs (at least 2-3 mile loop). Consider off-leash areas! I know feelings on this are mixed. In Salt Lake, where I used to live, they used odd days as "of-leash" days and even days were "on-leash" on certain hiking trails.	2/23/2020 1:39 PM
15	For too many years the trail plan has been stopped by residents who "know someone on the board". It is called a "right of way". It is not their property. I have seen too many kids on bikes almost hit because they don't have a safe place to ride their bikes. ## 2021 - 2023 VOS Resident Strategic Plan Survey

#	RESPONSES	DATE
1	I would like the Village to not forget about the requests/needs of residents over 65. More opportunities for seniors to gather like classes or outings would be nice. A park with community garden or flower beds would be very nice with no playground equipment. So, so many Suamico residents walk for exercise and we need a place other than the road to walk where drivers are whipping by at 45-50 mph. More police patrols would help but what's really needed are walking paths!! Also, many residents have dogs and a (fenced) dog park would be an asset to the community so dogs are less exposed to traffic. Lastly, I forgot to add to appropriate section- the railroad crossing on Wood Lane needs immediate repair! Its very bumpy to cross because tracks or road is uneven. Thanks so much for your time!	5/3/2020 9:50 PM
2	Lineville Road, County B (west of 41), and Velp (south of B) need to be 4-lane roads with sidewalks/overpasses for bicycle/pedestrian traffic.	5/2/2020 2:15 PM
3	Glad this is being done. The investment in the urban edge would have been more effective if it had been built like a small town. There is a lot more that could be done with the river and the bay.	4/28/2020 5:16 PM
4	I once served on a planning committee for the village with a board member, staff and a paid outside consultant. When our work was done, it went nowhere.	4/28/2020 4:53 PM
5	In answering this survey, I looked at the last posted information and the following are my observations: 1. The plan was old. It seems strategic planning should be ongoing. Not every 7 years. I would encourage a more regular approach/follow up to planning 2. The old plan is all about maintaining/enhancing. It was interesting in my perception is that the village could be more of a leader. The old plan seemed to support a model of maintaining. I hope you appreciate that I see more for this village and I hope the group sees the same. At present, I see my taxes go up, more residents and a maintenance mindset. I believe we have more value to bring.	4/28/2020 1:25 PM
6	As a former brand marketer who has also helped with neighborhood positioning (references avail), I would be happy to volunteer on a resident task force if one is planned. I am also the Communications Board member for Hunter's Run and can help liaise if/as needed. Finally, I am also a writer and would be happy to help with positioning, copywriting, and newsletters. Please reach out to me at kecgobblue@gmail.com if interested in volunteer assistance.	4/28/2020 12:06 PM
7	Thank you for this opportunity. The Village of Suamico is a nice, safe place to live. I hope we are able to maintain affordability while balancing responsible future developments with its semi-rural character.	4/28/2020 11:15 AM
8	I really like the idea of allowing UTV's on the roads in Suamico. I just spent a few days up north and people got to use them up there.	4/27/2020 4:34 PM
9	Thank you for initiating the survey	4/23/2020 6:04 AM
10	Thank you!	4/21/2020 8:19 PM
11	Also work with businesses to fill the Shopko building, along with Shopko Express. Loss of tax revenue and eye sore. Target store, maybe?	4/16/2020 10:56 AM
12	Creating this survey alone indicates the willingness of the Village to stay engaged with public opinion, which is good to see. Thanks!	4/15/2020 8:03 PM
13	What about large recreation area for sports (like Akzo).	4/14/2020 7:28 AM
14	Please try to get the snow plows out to our roads a little sooner. Also, pot holes can be smoothed over better. Also, if garbage pickup will be a day late because of holidays, it doesn't seem to always happen that way, we should know some guidelines when pickup will be a day late for recycling or garbage. Another: I would like to know my GPS coordinates for my house (the property lines), but the last time I was at the village hall they did not know it. Can this be obtained?	4/8/2020 9:59 AM
15	Melissa Needs a raise	4/3/2020 3:03 PM
16	need more new restaurants that do not specialize in bar food. Particularly ethnic restaurants	4/3/2020 2:55 PM
17	The Village should continue to make resident input available through surveys etc. but also needs to advertise such opportunities (I only stumbled onto this survey by chance).	4/3/2020 2:41 PM

## 2021 - 2023 VOS Resident Strategic Plan Survey

18	We need more restaurants that do not specialize in bar food. Particularly ethnic restaurants.	4/2/2020 1:53 PM
19	my wishes: culverts under the walking paths behind whisper ridge condos. A GREAT business filling the Shopko site.	4/1/2020 2:10 PM
20	I predict that retail shopping is going to see major changes especially after this pandemic is over. Many people are already doing much of their shopping online. Please keep retail business under a watchful eye and keep them somewhat consolidated so we don't end up with a glut of shuttered buildings in Suamico. We already have the two Shopko buildings and I think the Piggly Wiggly will soon be closing it's doors. Please try to utilize the existing structures rather than adding many others while other remain vacant.	3/31/2020 3:09 PM
21	Thanks for asking for our opinions. People run for office, but you never hear from them about anything.	3/30/2020 10:44 AM
22	we should have curbside leaf pick-up. Howard has it. we spend to much time and money hauling everything to land fill	3/28/2020 3:39 PM
23	A sidewalk on county b is a dumb idea.	3/24/2020 10:28 AM
24	We approved the school referendum and they said our taxes weren't going to go up BUT THEY DID, what's with that? Village needs to the lot size guidelines in the rural areas and not make exceptions for all the developers to put minimum frontage lots in is not rural.	3/19/2020 3:11 PM
25	seems like the village is caught between being a small quiet rural neighborhood and not being comfortable with it.	3/19/2020 11:35 AM
26	Our family enjoyed the movie night at the park last year. That was a nice thing they put on.	3/18/2020 9:15 PM
27	Again, the only thing that really holds our community back from being exceptional are the extremely high taxes residents are forced to pay and eventually being rated out of homes possibly as they age. Also, more walking areas on the side of the road in heavily housed rural areas would be nice so people aren't always walking on White Pine for example. Very dangerous!	3/16/2020 8:23 AM
28	Keep life simple, quiet, rural, safe, family living. No offense to other communities but didn't move here to grow into city living like other GB communities. Don't want to live in hustle and bustle of city life!	3/15/2020 10:37 AM
29	My issue with Suamico lately is the amount of development going on. With each development it destroys more land and is taking away from the rural atmosphere Suamico is trying to promote so intensely. Also with the development, the taxes are going up due to the need for more services and also the strain on the schools. With the strain on the public school system, this will cause for more schools being built, and more taxes being forced on us. Not everyone has children in the school system, but still have to pay for it and all the increases, which will never end. Not everyone can afford more tax increases and will cause them to have to sell and move. If Suamico is promoting a yuppie, high end village, this is what it is turning into.	3/14/2020 12:00 PM
30	Thank you for the opportunity to give thoughts, 12 character answers were limiting. Great community but history has left scars that leaves hard feelings	3/8/2020 10:04 PM
31	Thanks for all of your hard work in efforts to continue to support our beautiful village, our home.	3/7/2020 12:19 PM
32	This press to increase population, commercialization is wrong headed. Three kids on a 1/4 acre taxed at \$2000 does pay their school costs. GET REAL!	3/5/2020 6:23 PM
33	Please be more conservative in spending and keep property taxes lower.	3/3/2020 11:28 PM
34	The top three reasons we choose to live here are 1) Rural with more property that we can own in our subdivision. 2) Our well water 3) The school district. We understand that more housing developments may come to Suamico, but we would really encourage the village to maintain the rural feel we currently maintain.. and put more land on each lot to space out the housing in developments.. more like the Autumn Ridge subdivision for example where there is over an acre to two acres between homes.. instead of like the subdivision by Bay Port HS, which has become a complete eyesore. Our well water is VERY IMPORTANT to our family. I literally haul in 2 jugs of water a day to my office in East Green Bay. I can't stress enough that we are ANTI CITY WATER. We don't want city water, we don't want curb and gutter... if we wanted to live in the "city" we would. Please help Suamico to maintain it's rural feel, private wells, etc.	3/1/2020 2:36 PM
35	The town needs to take a very close look at why water and property taxes are so high. There	2/29/2020 8:45 PM

## 2021 - 2023 VOS Resident Strategic Plan Survey

are numerous opportunities for improved life quality projects. A 99 year farm restoration is not one of them. Sell the farm, build an awesome beach park on the Bay. Reduce costs so they are inline with other villages.

36	We live on Lakeview Drive. Lakeview Drive in Howard is a well maintained road however once you get to the Suamico Village border the road becomes a broken back road. If the county is responsible for repaving this section let's get let them know it's time! Furthermore, there should be an diamond "reduce speed ahead" sign at the site of the most northern 45mph sign then solar powered animated sign where 35mph starts. Having served on the Howard Planning Commission I know that drivers will drive at the speed they "perceive" is the correct speed. Correct signage would go a long way to making sure Lakeview is a safe road to drive.	2/28/2020 11:03 AM
37	I would love to see something done about the parking outside Rustique on Velp and Riverside when there lot is too full which happens every day. Riverside becomes a one lane road which is dangerous especially when traveling east towards Velp as cars turn off of Velp and can't see. It also is difficult to make a left turn onto Velp from Riverside when the cars are parked on Velp. I believe there should be no street parking allowed on Velp or Riverside as there is the free public lot behind the Four Way which isn't a far walk.	2/25/2020 3:52 PM
38	Thank you for asking for input. It is appreciated.	2/25/2020 12:57 PM
39	Please bring in another big box store to replace Shopko. Target would be preferred. Plus a pharmacy on Lineville is needed	2/24/2020 8:10 PM
40	Take home points: -More dog-friendly recreation so dog-owners can get exercise and enjoy the outdoors at the same time (hiking and cross-country ski trails in the woods -- ideally in a setting like Barkhausen or the Reforestation Camp). -Sidewalks, please! They have been shown to improve community health as well as safety.	2/23/2020 1:43 PM
41	In some areas of the village last year the smell from application of liquid manure on farm fields was horrible and it lasted for days. I also observed areas where this ran into the ditches and I'm sure eventually ended up in the Suamico River. I realize that this is a necessary part of farming and am not saying that it should be banned. I would like to see the village take a look at this practice though, and possibly regulate the timing of applications and the quantities of this material allowed per acre.	2/22/2020 4:42 PM
42	I like living here in Suamico, but your prop. taxation rate is way too high for the services received. The services are sufficient but I'm paying too much for those received.	2/21/2020 8:08 AM
43	I would love to see a lot more trails! It would be incredible to be able to get around the village on foot or bike.	2/20/2020 8:57 PM
44	We need to be smart with how we spend dollars. Everything in balance with compromise so everyone benefits.	2/20/2020 1:15 PM
45	I am somewhat negative on too much growth and development I have lived in Suamico for 30+ years.let's not forget why people move here to begin with it's because of its country atmosphere and not being overcrowded in. I know there are some ambitious people in developers that would like nothing better than to jump in and change all of that but remember we are the residence and not the people outside the village and a lot of us want to keep Suamico as is	2/20/2020 9:49 AM

52	As we just recently moved here I am unable to give a more informed answer on many of the questions, but I appreciate the opportunity. Would like to get involved in public service opportunities and am looking for information on how to put my name out there.	2/17/2020 3:46 PM

services to rural areas, how we go about getting such service to some of us in Suamico? Calls and questions to area carriers get no answers or help.

54	update ordinance for noise from neighbors - currently only dnr can check for noise levels so why have in suamico if the police do not respond	2/17/2020 2:15 PM
55	Just moved to Wisconsin from Illinois. Already feel at home. Suamico is a lovely community with a small town feel. Love all the local businesses. Preserve and expand nature areas and old downtown. Old downtown could be developed into a bigger draw with more boutique shops for a day of shopping, dining and entertainment. That would be a wonderful area. I could see a spa, flower shop, nursery, etc.	2/17/2020 11:44 AM
56	Water quality is extremely important, please do your best to ensure your citizens are drinking non contaminated water. Thank you.	2/17/2020 11:30 AM
57	Thanks for asking for community input. We really like living in Suamico - it's a great place to raise kids. We want to respect nature and the open spaces in the village. We want to see (and smell) agriculture continue nearby, not be consumed by more subdivisions. We like the forested areas with homes nestled in the trees. Smart land use and zoning will be a challenge to balance land owner rights with the long term vision for growth and development in the village. Good luck!	2/17/2020 10:44 AM
58	Fast food restaurant with a drive thru Taco Bell, Chick-fil-a	2/17/2020 10:09 AM
59	i dint believe we need any more parks. leaf pick up would be nice like howard and pittsfield	2/16/2020 9:59 PM
60	We love Suamico!	2/16/2020 8:19 PM
61	Residential yard debris pick up.	2/16/2020 7:13 PM
62	The trap and shooting range on Lineville should have more limited hours. With the growth of the residential community It is a noise nuisance. Not being originally from the area it would make me not recommend the area to friends and family. Unfortunately they do not adhere to their hours especially during the summer months.	2/16/2020 6:35 PM
63	The current derrections the fire department is going is wrong . It is not being put in a place where it can grow properly	2/16/2020 5:04 PM
64	Thank you for the survey. Remember before you put an addition on your house you take care of the leaking roof. What I am saying is though many new things are desired, be sure to ensure the current infrastructure is solid first. Thank you for your public service.	2/16/2020 12:59 PM
65	We do not need new fire department buildings, or a paid fire department on staff.	2/16/2020 12:13 PM
66	I HOPE MY INPUT IS USEFUL. ONE MORE THING I KNOW RUN A BOUTS ARE COST EFFECTIVE I DO NOT LIKE THEM, THEY ARE UNSAFE, AND A NUMBER OF MY ISSUES WITH THEM IS IT GIVES A LOT OF DRIVERS THE CHANCE TO KEEP GOING AND NOT YIELD TO ANYBODY.PLEASE CONSIDER OTHER OPTIONS.	2/16/2020 11:53 AM
67	thank you for considering our voice,please make smart decisions	2/16/2020 10:49 AM
68	Great intention, but this survey is much much too long. My best advice would be a 10 question survey maximum and delivered via text or social media to gain a higher adoption and completion. That being said I appreciate the resources used to put this survey form together and your efforts into seeking community involmment and opinion.	2/16/2020 8:16 AM
69	Once again, yard waste pick up would be nice. just spring and fall clean up would be fine.	2/16/2020 8:13 AM
70	Thank you for seeking input from residents. I have lived here 15 years and this is the first time anything like this has been done. It will be interesting to see how the results are communicated and if the board will use the information they receive	2/15/2020 11:03 PM
71	Look to the Village of Ashwaubenon for their great work in bringing in both residential and business development. Same with the Village of Howard for residential development. The cost of building in Suamico is to high (i.e. Impact Fees) and there aren't enough lots available that are serviced by Village water and sewer. Please work on finding ways to be better stewards of the tax payer dollars. The excess Stadium Tax dollars seem to be used as a "catch-all" to fund projects that wouldn't otherwise be funded. That money will eventually dry up. Overall I would say that Village is doing a good job.	2/15/2020 8:37 PM

## 2021 - 2023 VOS Resident Strategic Plan Survey

72	Keep up the good work. I'm happy I made the difficult choice to move my family home after retiring from the military. But home is home, and I'm happy Suamico has been so well taken care of.	2/15/2020 7:19 PM
73	Please, no ATV/UTVs.	2/15/2020 7:00 PM
74	Thank you for providing the survey!	2/15/2020 3:32 PM
75	We are excited about the visioning and development process. We have enjoyed living here and growing with our family in this community. The school district is an excellent asset as well.	2/13/2020 10:43 PM
76	Please work to fill the vacant shopko space with another similar retailer. Currently driving to Green Bay for those shopping needs and would love to stay in suamico to shop.	2/11/2020 3:22 AM
77	Don't forget about all the residents who have called this home forever. Seems like as we move forward that we forget about them because we are too worried about bringing in more. Growth is good but it can also harm.	2/10/2020 10:12 PM
78	I am happy with how Suamico has grown and kept the same quaint feel he past 15 or so years that we have lived here. The additional business growth has enhanced the community and has given a reason not only for residence to shop/eat here and also bring in others from the surrounding area.	2/10/2020 9:28 PM
79	Bring more summer life to Suamico Please	2/10/2020 2:03 PM
80	Many people move to the Suamico area for it's rural/recreational atmosphere. I would love to see those traits developed further.	2/10/2020 1:32 PM
81	Thank you for asking our opinion.	2/10/2020 11:48 AM
82	I think our strongest perception is that we are a great place to raise a family. To leverage that, I think we could put more effort into village/community events and recreational activities	2/10/2020 10:47 AM
