

Suamico Businesses, Restaurants and Bars

The Village of Suamico is proud of the many businesses, restaurants and bars that call our community home. We have listed these businesses and the services they are currently offering to help everyone continue showing support and appreciation during this time. Please remember to tip staff and drivers.

Please contact Village Administrator, Alex Kaker at AlexK@Suamico.org if you would like to update/add your business information to this document.

The purchase of gift cards and mentioning your favorite place on social media are also good ways to show support. (Information updated 04/24/2020)
