Recycling

Recycling occurs every other week on the same day that your garbage is collected. Thanks to you, recycling is working. To make sure it keeps working, remember these important rules:

Streamline recycling allows you to commingle the recyclables (plastic, glass, aluminum, metals, paper & cardboard) into one cart, no bagging necessary.

Plastic

- Containers must be empty and rinsed before putting in recycling bins. Labels can be left on.
- Place #1 and #2 plastic bottles in your recycling bin. Remove plastic caps, lids and pumps.
- No plastic bags at this time.
- No plastic toys, flower pots or garden plastics.

Glass

- Clean glass bottles and jars. (Whole, not smashed)
- Metal lids should be recycled, plastic lids placed in garbage.
- No drinking glasses, window glass, light bulbs, ceramic or china.

Metals

- Only clean food cans please.
- NO scrap metal or steel.
- Aerosol cans should have plastic caps removed.

Paper & Cardboard

- Flatten cardboard boxes and cut large pieces to fit cart.
- Drink boxes and milk cartons must be empty, rinsed and flattened.
- Shredded paper should be placed in a paper bag.
- Do not recycle tissue products, paper that is contaminated with food, grease or other debris such as PIZZA boxes, bows and ribbon or foil gift wrap.
- Do not recycle Styrofoam or microwave containers.

Electronics & Appliance Recycling

Cyber Green has placed a large, white container behind our Village Municipal Services Center at 12781 Velp Avenue. They will accept computers, printers, key boards, fax machines, stereos, cell phones, telephone systems, office machines, power cords, microwaves, dehumidifiers, and other appliances for FREE. If your item is too large to lift into the cart, please place on the pallet next to it.

There is a charge for the following items:

TV or computer monitor under 30 inches	\$10.00
Over 30 inches	\$30.00
TV in a console	\$30.00

A monitored deposit box is at site for payment. Cash or checks payable to CYBER GREEN are accepted.
